LETTER FROM THE EDITOR

It is our privilege to present the October–December 2024 issue of Reflection. This quarter has been marked by remarkable achievements, innovative research, and dynamic student and faculty activities across Ramdeobaba University.

Our faculty excelled in national and international conferences, published impactful research papers, and secured prestigious placements. Notably, several patents and copyrights were filed and granted during this period, underscoring the university's growing culture of innovation and intellectual property creation. Departments also organized training programs, workshops, industrial visits, and guest lectures, providing enriching learning experiences beyond the classroom.

We extend heartfelt appreciation to all contributors for their efforts in making this compilation possible. May this issue continue to inspire our community to aim higher and set new benchmarks of excellence.

**Warm regards,
Editorial Team**

RCOEM-TATA-CIIT (Center for Invention Innovation Incubation & Training)

[A] Training Programs :

1] One day training program on “Solid Modeling 3D Printing & Scanning and Internet of Things (IoT)” was conducted from 15th to 18th October 2024 for students of Bhavan’s Vidya Mandir School, Trimurti Nagar, Nagpur from 10.30 am –5.30 pm, held at RCOEM-TATA-CIIT. A total 156 students participated and was coordinated by Dr. Alok Jha, Dr. Himanshu Shukla for the solid modeling 3D printing and Dr. Bhumika Neole, Dr. Chitrajan Rajan, Prof. Lokesh Heda, Prof. Shruti Nair, Prof. Snehal Laddha, Prof. Anjankar for IoT and hands-on session by Mr. Shrikant Wankhede and Mr. Umendra Mukurane.

2] One day training program on “Solid Modeling 3D Printing & Scanning and Internet of Things (IoT)” was conducted on 22nd October 2024 for students of Bhavan’s Vidya Mandir School, Trimurti Nagar, Nagpur from 10.30 am –5.30 pm, held at RCOEM-TATA-CIIT. A total 11 students participated and was coordinated by Dr. Alok Jha, Dr. Himanshu Shukla for the solid modeling 3D printing and Dr. Bhumika Neole for IoT and hands-on session by Mr. Shrikant Wankhede and Mr. Umendra Mukurane.

3] One Month training program on “Internet of Things (IoT) & Industry 4.0” was conducted from 20th September to 26th October 2024 for students of the Mechanical Engineering department of **Shri Ramdeobaba College of Engineering & Management, Nagpur**, from 2.00 pm to 6.00 pm, held at RCOEM-TATA-CIIT. A total of 22 students participated, and training was given by Mr. Manish Maurya, Director & Technical Head, Makxenia Engineering Resource Pvt Ltd. and Technical Assistant Mr. Umendra Mukurane.

4] One day training program on “Artificial Intelligence & Machine Learning (AIML)” was conducted from 27th & 28th November 2024 for students of **Bhavan’s Vidya Mandir School, Koradi, Nagpur** from 10.30 am –5.30 pm, held at Digital Tower in association with the RCOEM-TATA-CIIT. A total 79 students participated, which was coordinated by Dr. Amit Pimpalkar for the Artificial Intelligence and Machine Learning and **Dr. Nisarg Gandhewar** has demonstrated and support staff, Mr. Rahul Srivas. The event was conducted by Dr. Y.M. Sonkhaskar and Dr. Nisarg Gandhewar, **Dr. Amit Pimpalkar**. 4-5 students gave encouraging feedback about the course.

5] One day training program on “Solid Modeling 3D Printing & Scanning and Internet of Things (IoT)” was conducted on **09th December 2024** for students of **Bhavan’s Vidya Mandir School, Srikrishna Nagar, Nagpur** from 10.30 am –5.30 pm, held at RCOEM-TATA-CIIIT. A total **21** students participated and was coordinated by Dr. Alok Jha, Dr. Himanshu Shukla for the solid modeling 3D printing and Dr. Chithraja Rajan for the IoT and hands-on session by Mr. Shrikant Wankhede and Mr. Umendra Mukurane.

6] One day training program on “Solid Modeling 3D Printing & Scanning and Internet of Things (IoT)” was conducted on **11th, 17th, 18th, 23rd, 24th December 2024 and 2nd January 2025** for students of **Bhavan’s Vidya Mandir School, Srikrishna Nagar, Nagpur** from 10.30 am –5.30 pm, held at RCOEM-TATA-CIIIT. A total **212** students participated and was coordinated by Dr. Alok Jha, Dr. Himanshu Shukla for the solid modeling 3D printing and Dr. Chithraja Rajan, Dr. Bhumika Neole, Dr. Shruti Nair for the IoT and hands-on session by Mr. Shrikant Wankhede and Mr. Umendra Mukurane.

7] One day training program on “Artificial Intelligence & Machine Learning (AIML)” was conducted from 27th & 23rd December 2024 for students of Bhavan’s Vidya Mandir School, Ashti, Nagpur from 10.30 am –5.30 pm, held at Digital Tower in association with the RCOEM-TATA-CIIT. A total 42 students participated, which was coordinated by Dr. Amit Pimpalkar for the Artificial Intelligence and Machine Learning and Dr. Nisarg Gandhewar has demonstrated and support staff, Mr. Rahul srivas. The event was conducted by Dr. Y.M. Sonkhaskar and Dr. Nisarg Gandhewar, Dr. Amit Pimpalkar. 4-5 students gave encouraging feedback about the course.

[B] Consultancy & Project :

- Mr. Yash Agrawal, Mr. Chetan Sonkusre, & Mr. Prajwal Thaware, 4th Year Biomedical Engineering Students, printed 3D parts for the project of the “Decision support system for eye disease recognition” 3D software design model on Oct. 8, 2024.
- Mr. Hardik K. Jagyasi & Team from 2nd Year Mechanical Engineering Students printed 3D parts for the project through 3D software design model on Oct. 10, 2024.
- Mr. Sarvesh Zade from 4th Year EN Dept. Students printed 3D parts for the project using a 3D software design model on Oct. 16, 2024.

- Mr. Aneesh Thakre (Embedded Club Coordinator) from Electronics & Computer Science Engineering Students printed 3D parts for the project of the Techfest (Zonals) Competition Guide Dr. Vishal Rathee Club Incharge using a 3D software design model on Oct. 19, 2024.
- Mr. Om Kamatkar from 2nd Year ECS Dept. Students printed 3D parts for the project of the IIT TechFest Bombay Competition 3D software design model on Oct. 17, 2024.
- Mr. Arjun Singh, Captain, Team Trident Racing, from Mechanical Engineering Students, printed 3D parts for the “Dashboard Printing” 3D software design model on Nov. 06, 2024.
- Mr. Ganesh Moroliya, Ms. Ishita Jaiswal & Team from 4th Year ECE Dept. Students printed 3D parts for the project of the “Pill Dispensing Medicine Assistant” Guidance from Prof. V. S. Lande using 3D software design model on Nov. 13, 2024.
- Mr. Utkarsh Mall from the 1st Year Mechanical Dept. Students printed 3D parts for the project of the “Tesla Coil” using a 3D software design model on Nov. 25, 2024.
- Mr. Ashwajeeth Wase & Team from 4th Year AI Dept. from Priyadarshini J L College of Engineering, Nandanvan, Nagpur, printed 3D parts for the project of the “Weather Station” Guidance from Prof. Sakshi Jaiswal using a 3D software design model on Dec. 17, 2024.
- Mr. Arjun Singh Captain, Team Trident Racing from Mechanical Engineering Students, printed 3D parts for the “Data Acquisition System” with guidance from Dr. A K Jha using a 3D software design model on Dec. 09, 2024.
- Mr. Chaitanya Hadge from 3rd Year Mechanical Engineering Students printed 3D parts for the “Robotics Arm” using a 3D software design model on Dec. 26, 2024.

[C] Guest Lecture & Lab Utilization :

- Utilization of Design Lab for the project by Shivanjal Sorte, Aditya Kothiwade and team from 2nd year Mechanical Department on 1st Oct. to 3rd Oct. 2024.
- Utilization Design Lab for the project by shantanu Anantwar, Shlooon Nioding, Sanvi Tripathi and team from 2nd year AIML, CSE, ECE Department on 1st Oct. 2024.
- Utilization Design Lab for the project by Ashwin Khobragade, Aditya Kothiwade and team from 2nd year Mechanical Department on 8th-11th Oct. 2024.
- Utilization Design Lab for the project by Manthan Gabrani, Sawroop Jichkar and team from 1st,2nd,3rd year Mechanical Department on 21st, 23rd, 25th Oct. 2024.
- Utilization Design Lab for the project by Sarvesh Nagulwar, Shreya Hiwale from 4th year Industrial Department on 28th Oct. 2024.
- Utilization Design Lab for the project by Rajat Moon from 3rd year Mechanical Department on 6th Nov. 24 and 3rd -4th Dec. 2024.
- Utilization Design Lab for the project by Amogh Reogaonkar Vineet Shah and team from 4th year Mechanical Department on 16th Dec. 2024.
- Utilization on Laser Cutting & Engraving machine for the project by Rishi Pande, Aditya Tiwari and team from RAC Club guide Dr. Alok Jha on 4th Oct 2024.
- Utilization on Laser Cutting & Engraving machine for the project by Harsh Gechode & vaidehi Barve from Design & Development of Biosensors on 8th,10th, 15th Oct. 2024.
- Utilization on Laser Cutting & Engraving machine for the project by kartikeyan Venkatesh, Advait Deshmukh from Automatic Mobile Robot on 28th Oct & 12th Nov. 2024.
- Utilization on Laser Cutting & Engraving machine for the project by Rishi Pande,
- Utilization of Design Lab for the Solid Modeling on Delmmia & IoT for the 1st Year/1st sem Students of Mechanical Department on 19/10/2024.
- Utilization of IAM center for the Readers's Reverie Literary Club conduct shoot for the episode of reverie's Unplugged podcast at 19th December 2024.

4] Visit of Eminent Persons to RCOEM-TATA-CIIT :

Guest Lectures taken by faculty

- Dr. Purshottam J. Assudani delivered a lecture on “Cloud Architect Career: Must-Know Trends and Technologies in 2024” on 23rd October 2024 for Simplilearn.
- Dr. Purshottam J. Assudani delivered a lecture on “How AWS Solution Architects are Shaping the Future of Cloud Careers in 2025” on 06th November 2024 for Simplilearn.
- Dr. Purshottam J. Assudani delivered a lecture on “From Edge to AI: Cloud Innovations That Are Driving Career Opportunities in 2025” on 26th November 2024 for Simplilearn.
- Dr. Purshottam J. Assudani delivered a lecture on “Decide on Your AWS Path: Pick the Right Certification for 2025” on 10th December 2024 for Simplilearn.

Publications

- Dr. D. S. Adane submitted a research proposal titled “Investigation of causes of obesity in children and development of evidence based preventive guidelines using machine learning” in Indian Council of Social Science Research on 25th October 2024.
- Dr. S. S. Balpande published a Book chapter on "3D printing technology for next-generation energy harvesters " authored by Suresh Balpande, M Junaid Khan and Gajanan Nikhade in 3D Printed Smart Sensors and Energy Harvesting Devices Concepts, fabrication and applications.
- Dr. S. S. Balpande worked as a Reviewer - Springer International Journal of Electronic Materials, SCI indexed.
- Dr. R. K. Kadu published a paper titled “Enhancing Agricultural Water Management Through Sensor-Based Irrigation Systems” in Journal of Environmental Protection and Ecology (Vol. 25, Issue 7, pp. 2234–2244), November 2024, Scopus Indexed.
- Dr. Ashish Chandak published a paper titled “Present Situation of Water Quality and the advancement of Technology in Water Pollution Management" in Journal of Environmental Protection and Ecology, December 2024 edition. (Scopus Indexed).
- Dr. Ashish Chandak and Dr Rakesh Kadu presented a paper titled “System Attack Detection using Machine Learning” at 22nd OITS International Conference on Information Technology, December 12-14, 2024, SRM University
- Dr. Rakesh Kadu, Dr. Ashish Chandak and Dr. Purshottam J. Assudani presented a paper titled “Sign Language Recognition by Hand Gesture for Deaf and Speech Impaired Community using ML” at 22nd OITS International Conference on Information Technology, December 12-14, 2024, SRM University
- Dr. Shweta Bondre presented a paper titled “Electronic Health Monitoring System with Live Data Tracking using IoT” at 2nd International Conference on Self Sustainable Artificial Intelligence Systems (ICSSAS), October 23-25, 2024.
- Dr. Shweta Bondre published a Book chapter on “Deep Reinforcement Learning Algorithms: A Comprehensive Overview” with ISBN No. 9781394272587 on 4th October 2024.
- Dr. Shweta Bondre published a Book chapter on “Deep Reinforcement Learning in Robotics and Autonomous Systems” with ISBN No. 9781394272587 on 5th October 2024.

STTP / FDP / Other Training Attended by Faculty

- Dr. P. D. Adane completed a NPTEL course on “Ethical Hacking” with a score of 90%. She is among top 5% candidates who cleared the exam in the month of July-October 2024 conducted by IIT, Kharagpur.
- Dr. S. S. Balpande completed a One-week Faculty Development Program on Rare earth based novel nanomaterials / materials for various Applications from 9th to 14th December 2024 held at RCOEM, Nagpur.
- Dr. S. Bondre completed One week Faculty Development Program on Artificial Intelligence and Generative Models from 2nd to 6th December 2024 conducted by VIT, Pune.
- Dr. S. Bondre completed One week Faculty Development Program on Introduction to Generative AI Models and Applications from 20th to 25th January 2025 conducted by R.V.R. & J.C. College of Engineering.
- Prof. J. Nanwani completed One week Faculty Development Program on Artificial Intelligence and Generative Models from 2nd to 6th December 2025 conducted by VIT, Pune.
- Prof. P. Meshram completed One week Faculty Development Program on Generative AI and its Multidomain Use cases from 2nd to 6th December 2025 conducted by VIT, Pune.

Departmental Activities

Parents Meet and Events

- The Parent Teachers meet was organized by the Department of Information Technology on 5th October, 2024 for IV, VI and VIII semester IT. The academic Performance of the students was discussed with the Parents. Dr. S. S. Balpande, Head of the Department took the feedback and suggestions of the parents for overall improvement of the department.

STTP organized in Department.

- School of CSE conducted a 1-week STTP on the topic “AI on Public Cloud Platforms” from 9th to 13th December 2024. Dr. Urmila Shrawankar and Dr. Purshottam J. Assudani worked as Coordinators for the STTP. The STTP received overwhelming response with more than 1100 participants and the resource persons were industry professionals from India and Abroad.

1	Guest Lecture on IoT and Its Challenges	Dr. C. Satyanarayana , Magni5 Pvt. Ltd, Hyderabad	02 hours	24 th October 2024

Student Achievements

- Vedant Shirbhate and Samar Jadhav, students of 6th semester IT Won 2nd Prize in Hackverse 5.0 Hackathon held at NIT Surathkal, Karnatak Campus on 11th and 12th January 2025

Any other activity (s)

Beyond Academics

- 75% of 2024-25 Batch eligible IT students got placed through campus drive.
- Top IT companies like D. E. ShawPorter, Nutanix, IBM, Accenture, C&R Software, IBM, VConstruct, Aspect Ratio, Go Comet, Global Logic selected 50 students from the Department.
- 31 students completed Full Time Internship in VIII semester.

1. Prof. Aparna Gurjar, Dr. Shubhangi Mohod, Prof. Pragati Dubey and Prof. Bindiya Turkar have attended a STTP on “Generative AI: Tools, Techniques and Applications” from 02-Dec 2024 to 06-Dec 2024 organized by School of Computer Science and Engineering, Ramdeobaba University.
2. Dr. Shubhangi Mohod and Prof. Bindiya Turkar have attended a STTP on “AI on Public Cloud Platforms” from 09-Dec 2024 to 13-Dec 2024 organized by School of Computer Science and Engineering, Ramdeobaba University.
3. Dr. Sachin Upadhye, Dr. Shubhangi Mohod, Prof. Pragati Dubey, Prof. Bindiya Turkar, Prof. Achal Rokade and Prof. Abhijeet Jaiswal have attended Object Oriented Programming training Program from 6th Dec to 21st Dec 2024 organized by Ramdeobaba University.

Departmental Activities

Parents Meet

Parents - Teachers meet was conducted by the Department of Computer Applications on 19th October 2024 for MCA Semester-1 students, and 30th November 2024 for BCA Semester-1 students, 11:00 am onward. The main objective of this meet was to get the feedback from parent regarding the teaching learning process being followed by the Computer Application Department, get useful suggestions from them and also convey the ward's academic performance as well as college attendance.

5. Prof. Poorvi K Joshi, has presented a paper titled "Design of KNbO₃ Thin Film Bulk Acoustic Wave Resonator for 5G Application", in 3rd International Conference on Emerging Applications of Material Science and Technology (ICEAMST 2024) Proceeding, organized by RV College of Engineering, Bengaluru, Karnataka, India, Date of Conference: 3 - 4 July, 2024.
6. Prof. Poorvi K Joshi, has presented a paper titled "Design and Optimization of Contour Mode Resonator (CMR) at 2.4GHz", in an 2nd International Conference on Emerging Applications of Material Science and Technology (ICEAMST 2024) Proceeding, organized by RV College of Engineering, Bengaluru, Karnataka, India, Date of Conference: 3 - 4 July, 2024.
7. Prof. Sandeep R. Pandey Dipti S. Dhande, Sonia Somkuwar, Chhay Korde, Rohit Pawar, Jitendra Zalke has presented a paper titled "Intrusion Detection System in Vehicle Automotive Network", in IEEE Mysuru Con-2024, organized by IEEE Mysuru Subsection, Date of Conference: 30-31 August 2024.
8. Prof. Poorvi K Joshi and Dr. M. A. Hasamnis has presented a paper titled "Performance Investigation Study of FBAR for 5G Applications", in "CIS 2024" - (5th Congress on Intelligent Systems), organized by CHRIST University, Bengaluru and Liverpool Hope University, U.K, Date of Conference: 04-05, September 2024.
9. Prof. Poorvi K Joshi and Ruhina Quazi has presented a paper titled "Solidly Mounted BAW Resonator using KNbO₃ thin film for 5G Application", in 6th International and 21st National Conference on Machines and Mechanisms (iNaCoMM 2023), organized by National Institute of Technology, Raipur, Date of Conference: 5 Oct 2024.
10. Prof. Shubham Anjankar, Abhishek Tripathi, Sethumadhavan R, Jujaru Sasi Kiran, Anish S, has presented a paper titled, "Development of Remote Health Monitoring System for Elderly using IoT and WSN", in an International Conference on Computing, Sciences and Communications (ICCSC) 2024, organized by Department of Computer Science at ABES Engineering College, Ghaziabad, India, Date of Conference: 24-25 OCT 2024.
11. Prof. Shubham Anjankar, Abhishek Tripathi, A. C. Deena, G. Vijayaragavan , T. R. Arvinthan, Subhashish Tiwari , Gireesh G Soni, has presented a paper titled "Experimental Investigation for Hybrid Energy Harvesting System for Remote Monitoring Applications", in an International Conference on Computing, Sciences and Communications(ICCSC) 2024, organized by Department of Computer Science at ABES Engineering College, Ghaziabad, India, Date of Conference: 24-25 OCT 2024.

12. Prof. Shubham Anjankar, Abhishek Tripathi, Addepalli Kavya Sree, Bhimavarapu Triveni, Alluru Rishitha, Batta Malleswari, has presented a paper titled, "Implementation of IoT-Enabled Automatic Solar Power Tracking System", in an International Conference on Computing, Sciences and Communications (ICCSC) 2024, organized by Department of Computer Science at ABES Engineering College, Ghaziabad, India, Date of Conference: 24-25 OCT 2024.
13. Prof. Lokesh Heda and Ms. Sejal Bodade, has presented a paper titled "YOLOv3 Based Deep Learning Model for Weapon Detection", in First International Conference on the Innovations in Communications, Electrical and Computer Engineering (ICICEC 2024), organized by Bapuji Institute of Engineering and Technology (BIET), Davangere, Karnataka, India, Date of Conference: 24 – 25, October 2024.
14. Dr. Pankaj Joshi Kanak Mishra, Harnoor Huda has presented a paper titled "A Short Survey of Truncated Multipliers", in IEEE International Conference on Intelligent Systems, Smart and Green Technologies (ICISSGT – 2024), organized by IEEE Vizag Bay Section, Date of Conference: 2-3 November 2024.
15. Prof. Lokesh Heda and Dr. Parul Sahare, IIIT Nagpur, has presented a paper titled "Tiny-YOLOv3 and SSD: Performance Evaluation for Human Detection in Crowded Images Under Various Conditions", in 3rd International Conference on the Paradigm Shifts in Communication, Embedded Systems, Machine Learning and Signal Processing 2024 (PCEMS 2024), organized by VNIT, Nagpur, Date of Conference: 11-12 November, 2024.
16. Dr. Pankaj Joshi and Pravin Zode has presented a paper titled "On-chip True Random Number Generator using System Monitor", in 2nd International Conference on Emerging Trends in Engineering and Medical Sciences (ICETEMS 2024), organized by Yeshwantrao Chavan College of Engineering, Nagpur, Date of Conference: 22-23, November 2024.
17. Prof. Vishal Rathee and Rishabh Thadani has presented a paper titled "IoT based protective face cover with body and environment vital parameters monitoring system", in International Conference on Intelligent Computing and Emerging Communication Technologies (ICEC 2024), organized by SRM University-AP, India, Date of Conference: 22-23, November 2024.
18. Prof. Anju Gupta Sandhini Peshkar, Sharvani Nandgaonkar and Vaishnavi Gautam, has presented a paper titled "Complete blood count based on microfluidics and dielectrophoretic force separation", in 3rd International Conference on Communication Control and Intelligent Systems (CCIS 2024), organized by the Electronics and Communication Engineering Department of GLA University, Mathura, Date of Conference: 6th-7th December, 2024.
19. Prof. Shubham Anjankar, Reddy, Sairam, Reddy, K. Manikanta, Reddy, B Kiran kumar, Nagajaynath, Sunkara, Dargar, Shashi Kant, Goyal, Amit K, Tripathi, Abhishek, has presented a paper titled "Assistive Cane Featuring Vibration-Based Obstacle Detection for the Visually Challenged", in an International Conference on Sustainable Materials and Technologies in VLSI and Information Processing (SMTVIP, 2024), organized by Kalasalingam Academy of Research and Education, Tamil Nadu, India, Date of Conference: 13 -14 December 2024.
20. Dr. Kanchan Dhote, Manan Agrawal, Om Nagpure, has presented a paper titled "Harnessing Big Data for Price Predictions in Oil and Gas Markets", in an IEEE 2024 2nd International Conference on Recent

Trends in Microelectronics, Automation, Computing, and Communications Systems (ICMACC-24), organized by VNR Vignana Jyothi Institute of Engineering and Technology, Hyderabad, Telangana, India, Date of Conference: 19-21 Dec 2024.

21. Prof. Poorvi K. Joshi, Tanvi Gillarkar, Pratham Warade, Bhaven Bubana, Yash Chetalangia, Sameed Qureshi, has presented a paper titled “AirTech Odyssey: Crafting the Future of Air Travel Reservations”, in 3rd International Conference on Automation, Computing and Renewable Systems” ICACRS 2024, organized by Mount Zion College of Engineering and Technology, Pudukkottai, Tamil Nadu, India, Date of Conference: 19-21 Dec 2024.
22. Prof. Shubham Anjankar, Abhishek Tripathi, Madhu Mohan Rao, A. Parivazhagan, Abhishek Pahuja and Divyangna Gandhi has presented a paper titled “IoT-enabled smart gardening with precise soil type monitoring for horticultural crops”, in Sixth International Conference on Futuristic Trends in Networks and Computing Technologies (FTNCT06) held in Uttarakhand, India, organized by GRAPHIC ERA HILL UNIVERSITY, HALDWANI CAMPUS, INDIA, Date of Conference: 23-24 Dec 2024.
23. Prof. Shubham Anjankar, Abhishek Tripathi, D Somu Venkata Naga, Ravi Kiran, D Jaya Chandra, M Bharath Kumar, A Surya Durga Sai Ram, K Suthendran, Nishit Malviya has presented a paper titled “Intelligent Sign Language Recognition for Real-Time Text Conversion to Aid Speech and Hearing Impaired”, in Sixth International Conference on Futuristic Trends in Networks and Computing Technologies (FTNCT06) held in Uttarakhand, India, organized by GRAPHIC ERA HILL UNIVERSITY, HALDWANI CAMPUS, INDIA, Date of Conference: 23-24 Dec 2024.

Book Chapter Published

1. Prof. Pravin Dwaramwar published a book chapter titled “Exploring the Cultural Impacts of Artificial Intelligence on Sustainable Entrepreneurship Development” Name of Publisher: IGI Global.
2. Prof. Pravin Dwaramwar published a book chapter titled “AI-Driven Energy Optimization in High-Performance Computing: Smart Solutions for Sustainable Efficiency” Name of Publisher: IGI Global.

STTP / FDP / Other Training Attended by Faculty

1. Prof. R. H. Khobragade has attended a FDP on “Research Methodology: Tools and Techniques” from 07/10/2024 to 11/10/2024 organized by SVNIT, Surat.
2. Prof Archana Tiwari has attended a FDP on “Intelligent Microwave Devices” from 25/11/2024 to 29/11/2024 organized by VIT, Chennai.
3. Dr. Pankaj Joshi has attended a STTP on “Generative AI: Tools, Techniques and Applications” from 02/12/2024 to 06/12/2024 organized by School of Computer Science and Engineering, RCOEM / RBU, Nagpur.
4. Prof. Vishal Rathee has attended a STTP on “Generative AI: Tools, Techniques and Applications” from 02/12/2024 to 06/12/2024 organized by School of Computer Science and Engineering, RCOEM / RBU, Nagpur.
5. Prof. Lokesh Heda has attended a STTP on “Generative AI: Tools, Techniques and Applications” from 02/12/2024 to 06/12/2024 organized by School of Computer Science and Engineering, RCOEM / RBU, Nagpur.

6. Prof. Shubham Anjankar has attended a FDP on “Faculty development program on Embedded Linux Programming” from 16/12/2024 to 18/12/2024 organized by Maven Silicon.
7. Prof. Shubham Anjankar has attended a FDP on “Rare earth based novel nanomaterials /materials for various Applications” from 12/12/2024 to 14/12/2024 organized by RCOEM, Nagpur.
8. Dr. Pankaj Joshi has attended a FDP on “Faculty development program on Embedded Linux Programming” from 16/12/2024 to 18/12/2024 organized by Maven Silicon.
9. Prof. Archana Tiwari has attended a FDP on “Advanced Computational Approaches for Antenna Pattern Synthesis and Intelligent Beamforming” from 03/01/2025 to 12/01/2025 organized by NIT, Warangal.
10. Dr. Kanchan Dhote has attended a FDP on “IOT Integration with Embedded System” from 06/01/2025 to 11/01/2025 organized by Atharva College of Engineering, Mumbai.

STTP / FDP / Other Training Organized by Faculty :

1. Dr. Prashant Dwivedy and Prof. Lokesh Hreda has organized a Workshop on “LaTeX” during 7 Oct - 8 Oct 2024 at department of electronics engineering, RBU, Nagpur.

Parents Meet

The Parent-Teacher meeting of I semester Electronics and Computer Engineering, Biomedical Electronics was held on 26th October 2024. The Meeting was chaired by Dr. N.P. Narkhede, Head of Electronics Engineering Department. Dr. N.P. Narkhede shared the information about various efforts and initiatives taken by the department for overall development of students and also about the change that are happened with the implementation of Ramdeobaba University. The assessment method for internal theory/practical marks and academic policy was explained by academic Coordinator 3. Dr. Deepali M. Kotambkar. The performance of the student in the Test-I examination and attendance record was shown to the parents. The effort required to improve the academic performance of their ward was discussed by the respective subject teachers. The concerns expressed by the parents were addressed by Head of the department.

The Parents expressed their satisfaction over the efforts taken by the department and the institute. Prof. Jitendra B. Zalke, Parent-Teacher Meet Incharge conducted the proceedings of the meeting and proposed a vote of thanks.

Student Achievements

- Ishika Choudhary student of third year (EE), secured second position in THIRD BELL at IIT Bombay on 26th Dec 2024.
- Amritraj Singh student of final year (EE), demonstrated exceptional talent in Ala Dance as the 1st runner-up at VNIT Nagpur, group dance competition under AAROH held on 16th November 2024.
- Om Wankhede student of second year (EE), A versatile talent with achievements in Boxing, representing the college at university games at Mankapur Stadium from October 24 to 26, 2024, and got Silver Medal. Additionally, he got Gold Medal in (Senior Boys Weight Category:67-71) Khasdar Mohotsav, at Mankapur Stadium.

5. Sarthak Wankhede student of final year (EE) presented a research paper “Application of PLC using MQTT protocol and AWS services” in Fourth International Conference on Emerging Frontiers in Electrical and Electronic Technologies (ICEFEET 2024), organized at NIT Patna.
6. Sarthak Wankhede student of final year (EE) presented a research paper "Real-time Data Monitoring by PLC using MQTT protocol and AWS" in the 18th National Frontiers of Engineering (NatFoE) Symposium held at NIT Warangal.

STTP / FDP / Other Training Attended by Faculty

1. Dr. S.B. Pokle Participated in one day UGC Western Zone conference for autonomous colleges on 'Implementation of NEP 2020' organized by UGC and IIM Nagpur on 23 October 2024.
2. Dr. P. K. Parlewar attended a Short-Term Training Program (STTP) on "AI on Public Cloud Platforms" at Ramdeobaba University (RBU), Nagpur (MH), India, School of Computer Science and Engineering from 09-Dec-2024 to 13-Dec-2024.
3. Dr. P. K. Parlewar has successfully completed the one-week national Short-Term Training Program on "Generative AI Mastery: From Foundations to Applications" organized by the Indian Institute of Information Technology, Nagpur, from 18th to 22nd November 2024.
4. Dr. P. R. Selokar has successfully completed one-week industry oriented Short-Term Training Program on "Generative AI: Tools, Techniques and Applications" organized by School of Computer Science and Engineering from 02-Dec 2024 to 06-Dec 2024.
5. Prof. V. S. Lande has successfully completed one-week industry oriented Short-Term Training Program on "Generative AI: Tools, Techniques and Applications" organized by School of Computer Science and Engineering from 02-Dec 2024 to 06-Dec 2024.
6. Mr. Nishant M. Borkar attended seminar on "IEEE IISC Microwave, Antennas, Symposium & Propagation Symposium (IIMAPS 2.0)" held on December 16th & 17th December 2024, organised by the IEEE-IISc MTT/AP-S Student Branch in collaboration with the IEEE-IISc VLSI Chapter and Dept. of ECE IISC Bangalore.
7. Mr. Nishant M. Borkar attended Seminar on "Substrate Integrated Waveguide and Dielectric Image Line Based Circuit Components and Antennas" by Prof. Animesh Biswas - IIT Kanpur organized by IEEE IISc MTT/AP-S Student Branch Chapter of IISC Bangalore, on Dec 6 2024 .
8. Ms. Puja S Agrawal attended an STTP "AI on Public Cloud Platforms" at Ramdeobaba University (RBU), Nagpur (MH), India School of Computer Science and Engineering from 9 – 13 Dec 2024.
9. Dr. Ankita Harkare attended ATAL FDP from 23-28 Dec 2024 on Reconfigurable Intelligent Surfaces for 6G Wireless Communication: Fundamentals to Future Research Directions at National Institute of Technology, Tiruchirappalli.
10. Dr. Ankita Harkare attended STTP from 02 – 06 Dec 2024 on Generative AI: Tools, Techniques and Applications at School of Computer Science and Engineering, RBU, Nagpur

Industrial Visits

On 17th October, the second-year students of the Electronics and Communication Engineering (ECE) Section B had the privilege of visiting Sensor and System Industrial Solutions in MIDC Butibori, Nagpur. The visit aimed to provide students with hands-on exposure to industrial applications in the fields of automation, sensor technologies, and industrial systems integration. The company specializes in providing advanced sensor solutions, system integration, and automation services to a wide range of industries. The visit was organized under the guidance of faculty members Dr P.R. Selokar, Dr P. P. Deshpande, Prof. D.D. Shrivastava and V. S. Lande along with 51 students.

NSS ACTIVITIES

Aarambh :

Ramdeobaba University celebrated Gandhi Jayanti on 2nd October, 2024 with a special event combining the national campaigns “Swachhata hi Seva” and “Ek Ped Maa ke Naam” under the joint leadership of the Department of Physical Education and the National Service Scheme (NSS), in collaboration with the REEF Club. A total of 74 NSS volunteers, including 33 girls and 41 boys, actively participated in the cleanliness drive, which was conducted across four key locations on the university campus. The Swachhata hi Seva Campaign 2024 and Ek Ped Maa ke Naam initiatives not only celebrated Gandhi Jayanti but also promoted an ongoing commitment to cleanliness and afforestation. This event set a remarkable example of how small steps towards cleanliness and environmental care can lead to significant community and national-level impacts.

NCC

The NCC cadets from our college have displayed exceptional performance in the various NCC camps they participated in. Their dedication, discipline, and commitment have been evident in every camp. Garba Night

Date : 5th October 2024

The Garba Night, organized by the Students' Representative Council , was a spectacular success. The event attracted a total of 578 participants, including students from the first, second, third, and fourth years, representing various branches and specializations.

Garba Workshop :

In preparation for the event, the SRC conducted a 5-day Garba workshop from 28/09/2024 to 04/10/2024. The workshop was held in two daily slots: 4:00 PM to 5:00 PM and 5:00 PM to 6:00 PM, giving students ample opportunity to refine their Garba skills. The workshop followed a vibrant color theme, fostering a sense of unity and festivity during the practice sessions.

Garba Night

The Garba Night itself took place across two venues on campus: the Basketball Ground and the IT Parking area. Students from the second, third, and fourth years gathered at the Basketball Ground, while first-year students celebrated at the IT Parking area. For smooth operations, the entries were bifurcated into two sections :

First-year students entered from the canteen side.

- Second, third, and fourth-year students were directed from IT Square.

The entry process was well-organized, with a two-step authentication system:

1. **Checkpoint 1** : Confirmation mail verification.
2. **Checkpoint 2** : QR code scanning for seamless and secure entry.

The event was graced by Mr. Ayush Baroha , Mr. Shreyash Jaiswal and Mrs. Sudhalaxmi Paraye, the instructors from the Garba workshop, who danced alongside the students, contributing to the event's festive atmosphere. Their presence added a special touch and was greatly appreciated by all attendees.

The SRC members played a vital role throughout the event, managing the crowd, directing entries, and ensuring smooth operations at the checkpoints. Even the students Enjoyed as well as learned . Their efforts were crucial in ensuring the event ran seamlessly from start to finish.

Conclusion

The Garba Night provided an unforgettable experience, fostering a strong sense of community, celebration, and tradition among the students. The success of the event was a testament to the hard work and dedication of the SRC and Dance Club, leaving participants with lasting memories of this joyous occasion.

Role No. 8 Report

'Role No.' is a show organized by the club specially for the new batch of first years of the college. The show is set just before the yearly club auditions, to let the freshers be acquainted with the art of dramatics. The eighth edition of the show, was organized at Main Auditorium, on 11th October 2024. The show was held in two slots from 1 to 3pm and 4 to 6pm respectively. It was conducted with the guidance of Ms. Jasleen Rihan, Prof. Yogesh Thakare and Prof. Snehal Laddha and was arranged by Mr. Rahul Motwani Drama Club Coordinator, SRC. A total of 4 short plays were performed.

Short plays performed were :

1. Bye Belwa
2. Timeless
3. Rorschach Morse Remorse
4. Vidya Vyapaar

The show was very well executed and received an overwhelming response.
