

Experiential Learning with Nvidia DGX

Date: 11/08/2021

Two Days workshop on “Experiential Learning with Nvidia DGX” under, RCOEM-NVIDIA [Centre of Excellence in Artificial Intelligence and Deep Learning] in Association with RCOEM-TATA CIIT was conducted on 10-11 Aug 2021. Mr. Shashank Gupta from NVIDIA has delivered the training.

Total 20 faculties have participated in the training from CSE/IT/MCA department.

Following topics were covered during the training.

- Object Detection using GPU*
- Deepstream SDK*
- TRT*
- Multi-GPUs*

Outcome:

This workshop enables participants

- To understand and implement the concept of Object detection*
- To use multi-GPU for speeding up the task*
- To embed any program on hardware device like Jetson nano.*
