Technical Event Report, Day III

The Second day of Chrysalis23 was celebrated on 20 May 2023, with Technical events starting after the Treasure Hunt. The technical events were organized only for first-year students and were also an extended part of the Mr. Chrysalis and Ms. Chrysalis 2023 Competition. A total of eighty students participated in the technical events. The major part of the technical events was the aptitude and coding section which were taken on individual levels one after another. This section was divided into two parts, Quiz and Coding. The Quiz and coding were taken on Unstop platform. In the quiz, there were 25 questions on Computer fundamentals, Computer Programming, Aptitude, and data structures. In coding, there was only one problem statement. The problem statement had 5 test cases to be solved in any one from C, C++, Java, or Python computer language. In the second section of the technical event, The gaming round were conducted with everyone participating on an individual level, gaming for boys and girls was conducted separately with boys playing Call of Duty: Mobile and girls playing Subway Surfer. The Winner / Highest Scorer of the Aptitude and coding section was Musharraf Mehmood Shah (1st-year 2nd-shift). In the gaming section, the winners were Alok Jamaiwar (1st-year 1st-shift) #1 rank in Battleground, Harsh Bhagwatkar (1st-year 2nd-shift) #2 rank in Battleground and MVP, Palak Ladhani (1st-year 1st-shift) #1 rank in Subway Surfer. The winners got felicitated on Inaugural Day by Sumeet Gattewar Sir.

The Participants of the First Section of technical events - the Aptitude and Coding section from technical events and Sports events got filtered on the basis of performance, participation, and Score to get shortlisted for Personal Interviews for Mr. Chrysalis and Ms. Chrysalis 2023 Competition. A total of 12 Students were shortlisted for Mr. Chrysalis and Ms. Chrysalis 2023. Where 5 students were boys and 5 were girls. Personal Interviews were taken on 21/05/2023 by Student In-charge Prof. Satyajit Uparkar Sir and Dr. Pravin Karmore Sir.

Chrysalis 2023,Day IV

Installation Ceremony of Students Representative Council

- The inaugural function of the chrysalis was graced by the presence of Mr. Sumeet Gattewar. He is a visionary leader, renowned for his exceptional strategic thinking, extensive entrepreneurial experience, and remarkable track record of driving innovation and transforming businesses.
- Chief guest, Mr. Sumeet Gattewar, delivered an inspiring speech on the topic "The Difference in Era 13 Years Ago: Challenges and Advantages Today." He focused on encouraging the young generation to embrace entrepreneurship and highlighted the differences in the current era compared to 13 years ago.
- Mr. Gattewar shared an impressive example from the technical field, where his team developed an OMR sheet evaluating the system with a basic 60,000 scanner and 10,000 printers, achieving the same output as a 10 lakh costing machine. This showcased their ability to innovate and find cost-effective solutions.
- He emphasized the current trend of indigenization over globalization, sharing an experience of developing an Air Force runway signaling lamp within three months for 60,000 rupees, which was previously imported from Germany for 6.5 lakhs. This highlighted the importance of local innovation and cost optimization.
- In conclusion, Mr. Gattewar provided valuable insights, including the distinction between being inspired by something and actively pursuing it, the significance of acquiring domain skills, gaining experience through hands-on involvement, and the importance of utilizing freedom with limitations for personal growth and success.
- Mr. Sumeet Gattewar's lecture provided enlightening, inspiring the students to foster innovation, cultivate an entrepreneurial mindset, and seize current opportunities.
- The Head of the Computer Application Department, Dr. P. S. Voditel, spoke about the development of a completely holistic personality. She highlighted the importance of both external and internal personality, with confidence playing a vital role. Additionally, she stressed the significance of consistency and punctuality as targets to be achieved, urging everyone to respect their own time and that of others.
- Dr. Voditel mentioned the disruptive nature of India's National Education Policy and emphasized the need for individuals to excel in their chosen fields. She encouraged embracing Indian traditions and heritage, asserting that one's identity as an Indian holds immense value in the global context, rather than simply adopting a global face to appease the Western world.

- Chrysalis was a three-day event that included various activities like Traditional Day, Sports Day, Technical Day and Cultural Night.
- The inaugural function concluded with a vote of thanks delivered by Rohit Singh, Vice President of SRC. Vidhi Pitroda and Nishtha Martha compared the inaugural event.
- The cultural event was held in the evening which showcased the singing and dancing talents of the students. The audience enjoyed the vibrant show and danced their heart out to the catchy tunes and thunderous beats. Ms.Chetna Thakur and Mr.Aman Agrawal were adjudged Ms.Chrysalis and Mr.Chrysalis respectively in the ceremony.

Cultural Night Report

The commencement of Chrysalis 2023 unfolded on its third and final day with the inaugural ceremony held in the morning. The esteemed guest of honor for this ceremony was Mr. Sumeet Gattewar, Founder & Director of PYE Technologies. Concurrently, the Cultural Night celebration marked the concluding event of Chrysalis 2023, taking place in the evening.

The Cultural Night festivities commenced at approximately 5:45 pm, featuring an array of captivating performances by the MCA students. Noteworthy among these were the individual classical performances by Avanti Jaiswal, a first-year MCA student, and Nandita Sharma, a second-year MCA student. The solo and duet dance by Mrunali, Palak, Pranjali, Vanshika, Anushka, Divya, Sakshi, Raj and Ayush elicited much enjoyment from the audience.

Spectacular singing performances were delivered by Palak, Vidhi and Mrunali. The event featured an enthralling skit performed by 'The Nautanki Group,' set to the Idea of Equality. The 'Rishika Faye and Group presented an energetic dance performance, followed by 'The BOYS!!,' which delivered a mashup of South Indian movie songs. Other Group Performances were 'Palak & Group', 'Prateek and Group', and 'dance divas, which pumped a gust of energy and joy into the audience. The grand finale of the evening was an impressive performance by 'KAL FRIDAY HAI 1.0' with all senior boys performers taking the stage.

Subsequently, the titles of Mr. Chrysalis and Miss Chrysalis were bestowed upon Mr. Aman Agrawal and Miss Chetna Thakur, respectively, by the respected Head of Department, Dr. Preeti S. Voditel. Following the performances, faculty members and students enjoyed a delightful dinner.

The success and grandeur of the Cultural Night event were attributed to the support and guidance provided by Dr. Preeti S. Voditel, HOD, MCA, Prof. Satyajit S. Uparkar, Students' Activity Incharge, Dr. Pravin Karmore, along with Prof. YogineePethe, Prof. Ankita Mehta and

Prof. Manda Ukey Cultural Night In-charge, as well as the MCA department faculty, the entire MCA SRC team, and the students.

Numerous valuable feedback comments were received regarding the Cultural Night/Chrysalis event:

The event was incredibly adventurous and entertaining. It provided us with beautiful experiences and the opportunity to interact with seniors. Thank you for organizing such an event. It was a well-organized event. Despite the limited time, the SRC members managed everything splendidly. It was amazing and immensely enjoyable. Thank you for arranging such a fantastic event. It was wonderful. Due to the pandemic, we missed out on many events during our graduation, including our farewell. Recently, we saw our juniors posting their farewell pictures, and it made us quite sad. However, Chrysalis happened, and it was an incredibly amazing night. We had a blast. Thank you so much for organizing such a fantastic evening. It was really good, and we had a lot of fun after a long time. It was a much-needed night of enjoyment. It was an outstanding event. The timing was well-managed, discipline was maintained, and there were no inconveniences. It was a great experience.

Chrysalis 2023

Summary of Event Participation

Sr. No.	Events	No. of Participants
1.	Technical Event	80
2.	Treasure Hunt	85
3.	Sports	142
4.	Cultural Event	107
5.	Total Student Registration	166

Outcomes

1. The MCA SRC members were able to gain the expertise in planning, designing and implementation of the major events during Chrysalis 2022.
2. This event helped us in developing time management skills and ability to make runtime decisions.
3. Chrysalis technical events enhance student skills, made students know their ability to solve problem through simple coding statements and also promote fun learning approach.
4. Treasure hunt fosters the group learning, teamwork, team-sprit and effective team management.
5. Cultural events made a pavement for the students to showcase their hidden talent in various activities.
