

SHRI RAMDEOBABA COLLEGE OF ENGINEERING & MANAGEMENT, NAGPUR

DEPARTMENT OF COMPUTER APPLICATION

MCA WAD'19

(22ND JAN – 25TH JAN 2019)

A four day workshop on aptitude development was conducted for the students by the Department of Computer Application from 22nd January to 25th January 2019. About 151 students attended the workshop. On 22nd Jan a formal inauguration of MCA WAD'19 was performed by the hands of Chief Guest **Mr. Pranav Parikh, Vice President, and Chief of Staff, Health Plan / CDAI division, CIOX Health**. The Chief Guest and Dr Preeti Voditel convener of MCA WAD'17 & Head, Department of Computer Application, lit the traditional lamp along with other faculty members. Students recited the Saraswati Vandana as a mark of respect for the goddess of learning. **Mr. Pranav Parikh** then addressed the student participants. He recounted his industry experiences and urged the students to choose a domain and plan for career advancement. Dr. Preeti Voditel also interacted with the students on the occasion. She stressed the importance of personality development for students and also briefed them about the various events which were to be conducted in MCA WAD'19. Daily aptitude tests were conducted for all the participants, along with events like "Extempore" and "Ad-making". Sessions on various topics like Interpersonal Communication, Language Comprehension and Word Usage in English Language, Quantitative Aptitude, Logical Reasoning/ Data Interpretation, Group Discussion, Personal Interview Techniques, Resume Writing and Vedic Mathematics were conducted by invited experts. Dr. Yogesh Deshpande, Professor, VNIT took a special session titled "**Spread the wings**" in which he counselled the students on how to develop a positive attitude and achieve success in life. The students attended these sessions enthusiastically. Active participation of students was also observed during the conduction of aptitude tests, and in "Extempore", and "Ad-making" events. On the concluding day of the workshop HR experts were called from various companies to judge the preparation of WAD participants in terms of facing personal interviews in companies and

performing group discussions on random topics. The students were evaluated on various parameters by the experts who also gave them tips about how to face interviews.

The valedictory function was held on the last day of the workshop, on 25^h January 2019 at 5:45 p.m. where appreciation certificates and participation certificates were given to winners and participants respectively.

Top ten students who performed exceptionally well in overall WAD activities like aptitude test, extempore and ad-making were felicitated. Individual appreciation certificates were given to all participants of top three ad-making groups. Three students who scored top marks in extempore events were also presented certificates.

The convenor of MCA WAD'19, Dr. Preeti Voditel addressed the students and expressed her happiness about whole-hearted student participation. She asked the students to continue the momentum and attend many such Departmental and College level activities. The students also shared their experiences of the three eventful days of WAD and how it helped in enhancing their personality development. Prof. Aparna Gurjar proposed the vote of thanks. The event concluded with a group photograph of all participants and faculty members.
