of

Internal Quality Assurance Cell (IQAC)

Submitted to

**National Assessment and Accreditation Council
(NAAC)**

By

**Shri Ramdeobaba College of Engineering and Management,
Nagpur-13**

(An Autonomous College affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur)

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision of the institution

Shri Ramdeobaba College of Engineering and Management envisages the institute par excellence, providing world class Technical and Management Education.

Mission of the institution

To impart quality education in the field of Engineering and Management; to foster mutually beneficial relationship with industries; to create intellectually stimulating environment for learning, research, and promotion of professional and ethical values.

6.2 Does the Institution has a management Information System

Yes.

“GEMS” is a cloud based education governance ERP system at RCOEM.

The modular design of GEMS enables the various academic as well non academic activities (related to finance, stock etc.) to be handled as independent modules. These modules are flexible, can be integrated and also configured according to individual needs.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- Curriculum is the foundation of the teaching-learning process. The development of programs of study, learning and teaching resources, lesson plans and assessment of students, and even teacher education are all based on curriculum.
- Board of studies (BOS) has been constituted which includes one chairman (Head of the department), all faculties in the department as member, two student representatives, two experts from renowned academic institutions and one expert from industry. The syllabus is briefly discussed in BOS meeting with various experts and finalized only after the approval of BOS.
- The curriculum is focused on outcome based education and each course has defined objectives and outcomes, which are discussed with students during course conduction.
- References of reputed institution's curriculum like IIT and NIT are used to develop curriculum.
- Feedback from stake holders taken into consideration for framing curriculum.
- Alumni from Industry to design the curriculum as per the current requirement of Industry.
- Inclusion of Industry supported elective courses.
- Seminars and Guest Lectures from eminent personalities.

6.3.2 Teaching and Learning

- Curriculum and course contents are designed as per the need of industry.
- Industry sponsored projects.
- Application based Projects.
- Student Publications.
- Student Apprentice at renowned companies and academic institutes.
- Remedial classes for slow learners.
- A variety of learning contexts including guided and independent study, project-based learning, collaborative learning, experimentation, etc.
- Learning environments (library, departmental library, computing facilities etc.)
- Organization and management of teaching and learning.
- Support to foster student achievement (e.g. counselling, career guidance, mentoring etc.)
- Students' evaluation.
- To improve the quality of teaching orientation programme for faculty is conducted.
- Use of ICT in teaching learning process.

6.3.3 Examination and Evaluation

- Institute has constituted Examination Committee as per the Maharashtra University Act 1994 and the provision made in the XI Plan of U.G.C. guidelines.
- Students submit examination forms online.
- The Paper Setter submits paper sets for the examination on line through MIS.
- The moderation of question papers of End Semester Examination is also carried out on line through MIS.
- Gazette and TR are generated through MIS. Semester Grade points are calculated and grade cards are generated.
- Spot / Central Evaluation of answer books.
- Transparency in evaluation of answer books. Valued answer books shown to students. Grievance, if any, revaluation done.

6.3.4 Research and Development

- Faculty members pursuing research are entitled for :
 - Sponsorship for QIP.
 - Three months full paid leave for faculty pursuing Ph.D. at reputed institutes.
 - Reimbursement of Ph.D. fees.
- Incentives for publications / consultancy / patents.
- Visvesvaraya Ph. D. scheme for Electronics and IT (Deity).
- Allocation of a separate Department budget for R&D activities.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- Held Book Exhibition.
- Conducted seminar for MBA Department on usage of EBSCO journal.
- Proposal for a renovated library including increase in the number of counters, reading room capacity and Digital Library.
- To attract more readers in the library, it is planned and approved to fully air-condition the library. The renovation work has started.
- Book Bank Scheme available.

The ICT facilities and infrastructure available in the library are as follows:

- Digital Library.
- Bar coding of Books.
- Scanning and Xeroxing facility.
- Availability of e-journals.
- Use of Databases- DELNET.
- Adequate seating arrangement in the library.

6.3.6 Human Resource Management

6.3.8 Industry Interaction / Collaboration

Foster Symbiotic Relationship with Industries

- Inviting industry executives to the college to discuss and share thoughts, ideas and experiences to create a symbiotic relationship.
- Memoranda of Understanding between the college and industries to bring the two sides emotionally and strategically closer.

Industry Exposure to Students and Faculty

- Industry exposure to students and faculty through industry visits.
- Practical trainings/Summer Internship of students in industries.
- Faculty training by industry.
- Students' projects/dissertation work in industries under joint guidance of the faculty and experts from industry.
- Industry Internship for faculty members.

Industry involvement in Curriculum Design, Delivery and Assessment

- Participation of experts from industry in curriculum development.
- Inviting industry professional to deliver expert lectures.
- Involvement of industry professional in students' assessment.

Providing help to Industries

- CEP / Training Programs for industry professionals.
- With the rapid pace of growth in technological knowledge and frequent paradigm shifts in technology, Continuing Education of working professionals in industry is a vital need. The Continuing Education Programme (CEP) at RCOEM aims to meet the manpower training and knowledge up-gradation needs of the industry.
- Consultancy and technical support by the faculty to industries.

6.3.9 Admission of Students

All Admissions at Shri. Ramdeobaba College of Engineering and Management are carried out on the basis of merit and in a transparent manner by way of counselling. Over the years the institute has gained immense popularity across the country due to its open and transparent admission process through open counselling.

- Continuous evaluation system for theory and lab courses.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

University has nominated its representatives and the subject experts on Board of Studies and Academic Council to promote and implement autonomy in respect of the following:

- To develop the curriculum, prepare the academic regulations and conduction of internal and end semester examinations.
- To issue Grade Card of each semester with SGPA and CGPA with college emblem and seal.
- To prepare academic and examination schedules.

One representative from university is also in BoM.

6.11 Activities and support from the Alumni Association

- Counseling for Admission of First Year

The Alumni Association of Shri Ramdeobaba College of Engineering and Management organized a free seminar on admission to First Year B.E., Second Year B.E., M.B.A. & M.C.A. in Auditorium, RCOEM Campus, Katol Road, Nagpur 440013. Aspiring candidates along with their parents attended the session for understanding rules and regulations of admission of First year B.E., Second Year B.E., MCA & MBA for the academic year 2014-15. An interactive session was held detailing admission procedure, documents required, fee structure and other related information.

- Visit of Alumni to campus to interact with students and guide them.
- Visit of Alumni to campus for placement activities.
- To take a walk down the corridors of nostalgia, alumni Meet, Conclave 2014, and felicitation of 1998 batch was conducted. The occasion was graced by around 60 alumni from 1998 Batch.

6.12 Activities and support from the Parent – Teacher Association

- Parent meeting is held with HOD and other faculty members of the department twice in a year in which the performance of students is reviewed.
- In every parent meeting feedback from the parents is taken and analysed for further improvements.

6.13 Development programmes for support staff

Development programmes for supporting staff are conducted every year regarding upkeep of laboratories. Training provided in computer skills, knowledge of equipments in laboratory etc. The supporting staff is motivated to pursue their higher studies.

6.14 Initiatives taken by the institution to make the campus eco-friendly

The college has an environment club REEF (or Shri Ramdeobaba College Engineers for Environment Forum). The club works with the objective to create awareness about environment, conduct activities for environment monitoring and protection, and associate itself with people or NGOs working for the environment. REEF has carried out various activities to make the campus eco-friendly:

- The club conducted a drive to create awareness about e-waste. It also collected e-waste from the College and recycled some of it for free for the project work of students.
- REEF made the biodiversity register of the College in 2012.
- REEF has set up vessels to make water available for birds.
- 7 Bird houses have been constructed by REEF students which are set up in college.
- The college through REEF has also won Wipro's Earthian award 2014 where REEF students conducted various research tasks including calculating the carbon footprint of the College. The calculation shows that the campus is eco-friendly and thus has less carbon footprint.
- The large green cover of the College indicates a good biodiversity. REEF has conducted bird monitoring of the campus to find a healthy bird density of 82 species, which is 22% of the total species found in Nagpur.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- GEMS software for attendance entry.
- On-line submission of examination form.
- On-line paper setting and Moderation.
- MSME and CDS proposals received by institute.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- Orientation Programme on Academic Autonomy – The General Objectives & Practices at RCOEM conducted.
- Awareness Programme on OBE & NBA accreditation for Faculty Members conducted.
- Internal and External Autonomy Audit conducted.
- Four UG Departments received NBA accreditation and three PG Departments applied for accreditation.
- RCOEM RGSTC-TIFAC–MSME Internship Scheme for UG students implemented.
- MIS Module implemented for Attendance and Examination.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

- Very Transparent System of Admission.
- Transparent Financial Management System.
- Incentives given to faculty for research publications.
- ISO implementation.

****Provide the details in annexure (annexure need to be numbered as i, ii, iii)***

7.4 Contribution to environmental awareness / protection

RCOEM through its environment club REEF has contributed to environmental awareness and protection through various activities conducted. These are:

- A state level birders' meet organized by Society for Wildlife Conservation, Education and Research (Wild-CER) was held on 4th and 5th January 2014 at Hislop College, Nagpur. REEF volunteers assisted in organizing the event which witnessed the participation of eminent bird watchers from all over Maharashtra. The event facilitated the interaction of REEF members with the experts in the field of bird watching.
- REEF members did a recycling project in the college by recycling the unused pages from the assignment notebooks submitted by the students. The pages were compiled together to make new notebooks which was distributed to the orphans and mentally challenged children. REEF members have planned to continue this activity in future as well.
- Encouraged by the success of two bird houses installed earlier, REEF members constructed 7 new bird houses and installed them at various places in the college campus. The bird houses have proven to be helpful in the conservation of various species. The members demonstrated the use of their engineering skills for this task.
- REEFians have constantly been working in bird rescue and helping organizations like WILD-CER.

- An awareness drive was carried at the high water usage areas in the college, which included the canteen, IT Complex washroom and the water coolers in the Boys' Hostel. Posters and stickers were put up near the water sources to act as a reminder while using water. Group discussions were held with students to make them aware about water wastage.
- Quiz and group discussion was organized for first year students on Indian wildlife. The main aim of this activity was to make students aware of Indian wildlife and the problems related with it.
- REEF students attended a workshop on "Moths and Butterflies" at Pench Tiger Reserve (PTA) at Amaltas conference center, Sillari on 5th and 6th September 2014. The workshop was organized by an NGO 'Mad over Wild'. On 5th September a session was conducted by Neha Mujumdar, a Lepidoptera (Moths and Butterflies) expert where REEF members were introduced to the lives of moths and butterflies and their significant place in the ecosystem.
- REEFians undertook an awareness trip to NMCs waste management and Sewerage treatment plant at Bhandewadi in Nagpur on 16th September 2014. Waste generated through out the city creates hazards to health but to environment too. The visit to waste management plant brought interesting facts about automation in waste management, its effectiveness and the need for public awareness for waste segregation.
- REEF was invited to be part of the Water fowl census organized by Forest Department and Bombay Natural History Society (BNHS) in 2014 where more than 6 teams of REEF participated to count water birds in 7 lakes of Nagpur.
- REEF won the prestigious international Earthian competition organized by Wipro. The team did extensive research on tasks given during the competition. They were judged by leading environmentalist of India on the basis of which they were declared as winners among 500 competing educational institutions. REEF-RCEOM has emerged as a winner of this international competition along with India's other premier institutions like IISc Bangalore, IIM Indore, NIT Trichy, and XLRI Jamshedpur. The team won Rs. 1.5 lakhs on behalf of the College.
- REEFians organised a bird watching session for students from 1st grade to 5th grade of Centre Point School, Dhaba, Nagpur at Gorewada Biodiversity Park on 28th March 2015. Before beginning the trail, the kids were told about the basics and do's and don'ts of Bird Watching. Around 70 students along with their teachers and parents were part of the session.

- REEF members headed by the mentor faculty, completed an 18 month long project on creation of a book on “Birds of Raj Bhavan, Nagpur”. The book contained data collected from 97 field trips. In all 174 species of birds were recorded in Raj Bhavan. The book has been submitted to Raj Bhavan authorities for their record.
- Saraswat Mandal, Nagpur invited REEF to deliver a seminar on “Bird watching and its importance” to the members of the Sarswat Mandal on 22nd April 2015. The main objective of this activity was to create awareness amongst citizens and increase their interest and awareness about birds and thereby help conservation of birds. The session concluded with a question and answer session where REEFians tried to answer the queries of the members.

Feedback Analysis

Details of Feedback is conducted in the institution

Stakeholder	Frequency	Mode
Student	Twice in a semester	Online
Parents	Once in a semester	Manual
Employers	Once in a semester	Manual
Alumni	Once in a semester	Manual

- **Feedback from students is taken on three parameters, viz. Institution, Department and Teaching faculty**

Parameters for Student feedback

Institute Level	Department Level	Faculty Level (Theory)	Faculty Level (Practical)
Central Library: Adequacy of titles and volumes	Adequacy of laboratory facilities (Space/ventilation/number of set ups etc)	Teaching Skill	Selection of experiments/ programming assignment/ case study were commensurate with the theory
Central Library: Ease in issuing of books	Availability and ease of computing & internet facility	Extent to which course outcomes were discussed in the beginning of the session	Experiments/ programming assignment/ case study were leading towards proper conclusion/ interpretation
Central Library: Suitability of library timing	Mechanism and approach to provide exposure to external world through field visits, guest lecturers etc.	Punctuality and regularity in conducting classes	Teacher helped in understanding the experimental observations/ logic of the program/ case study/ field study
Adequacy of facilities promoting Sports, NSS etc	Infrastructure (Furniture/blackboard/ illumination/fans/ flooring etc.)	Subject knowledge, lecture preparation and organization	Experimental setup was well maintained and operational/ software provided for executing the program was proper

Approach towards promoting co-curricular and extra co-curricular activities	Overall approach and commitment of the department towards providing quality technical and professional education	Blackboard management and communication skills	Precise, updated and self-explanatory manuals were provided
Adequacy and time-suitability of photocopying facility	Hygiene (class/sanitation/surrounding)	Ability to explain practical relevance and recent developments in the subject area	Teacher did assessment of experiments and journal regularly
College Canteen facility: timings and food quality	Mechanism and approach to deal with students/parents grievances	Encouragement and motivation to interactive teaching	Overall impression regarding the usefulness of the entire lab session in clarifying the student's theoretical knowledge
Centralized Computer laboratory and internet facility: qualitative and quantitative adequacy	Students guidance and mentoring facilities	Adequate coverage of syllabus	
Availability of distance learning resources, video lectures, web courses etc.	Availability of modern instruments and arrangements/facilities to provide hands on experience	Promptness and impartiality in assessment	
Student counselling and training for improving placements		Class Control	
Administrative office: Ease of Approachability		Approachability for discussion and interaction outside the class	
Administrative office: Ease of Approachability		Your inclination for taking another course from this teacher	

- **Feedback from Parents / Employers and Alumni is conducted during parent-teacher meeting and meetings with the respective stakeholders on dates as prescribed in the academic calendar.**

All feedbacks are analyzed at departmental and central level and corrective actions are initiated.

Revision / Updates in Regulations

Sr.No.	Revision/ Updates in Academic Regulation	Date of Approval in Academic Council
1	Introduction of Credit Transfer Scheme with Indian Institution	25 th April 2015
2	Decentralization of post exam work for PG Examinations	

Revision/ Updates in Scheme and Syllabus

Department: Computer Science and Engineering

S.no	Semester	Course code and Name in which revision was made	Salient features of Revision of syllabus
1	V	CST304 Microprocessor and Interfacing.	Unit IV of Microprocessor and Interfacing is updated. In IV unit topic related to Numeric coprocessor architecture & programming is removed, Instead of it the architecture, programming & interfacing of 8051 Microcontroller is added in details to understand the need and applications of embedded systems.
2	VI	CST311 Artificial Intelligence	Unit IV & V of the syllabus of Artificial intelligence is updated. In IV unit some topics for handling Uncertain knowledge were added (Bayesian networks, fuzzy logic etc.) In unit V types of learning and probabilistic leaning were added.
3	VII	CST401 Distributed Systems	Distributed system course have wide range of application in various domains which employs distributed computation and depends critically on the use of distributed algorithms.

			Some of the contents were removed as they are present in another course in details.
4	VI	CST303 Software Engineering	Unit IV of the syllabus of Software Engineering is updated. Contents are based on Ethics in IT, as it is necessary that the students must understand the ethical practices in IT.

Department : Electronics and Communication

S.no	Semester	Course code and Name in which revision was made	Salient features of Revision of syllabus
1.	III	CSP211 – Object Oriented Data Structure	Earlier there was only LAB session for this course, for better understanding and in-depth knowledge of programming this course is allotted with classroom teaching.
2.	VI	CST325 – Operating System	This course was introduced on special request of students considering as prerequisites of placements

Department: Information Technology

S.No	Semester	Course code and Name in which revision was made	Salient features of Revision of syllabus
01	III	Data Structures and Program Design (ITP201) and Digital Circuits and Fundamentals of Microprocessor (ITP202)	Contact hours for the Practicals increased from two to three hours.
02	IV	Object Oriented Programming (ITP205) IT Infrastructure Services (ITP206)	Contact hours for the Practicals increased from two to three hours.

03	IV	Object Oriented Programming (ITT205)	New Text book recommended.
04	V	Microprocessors and Interfacing (ITT301)	Minor modifications incorporated in Syllabus.
05	VI	Course inclusion: DBMS T&P (ITT306 and ITP306)	Swapped from VII Semester IT.
06	VII	Course inclusion: Compiler T&P (ITT402 and ITP402)	Swapped from VI Semester IT.
07	VIII	Mobile Apps Development (ITT409-1) Business Intelligence (ITT409-2) Information Retrieval (ITT410-3)	New Electives added. Two electives viz ITT409-1 and ITT409-2 are supported by IT Industry.

Department: Electrical Engineering

S. No	Semester	Course code and Name in which revision was made	Salient features of Revision of syllabus
1	IV	Electrical Measurements & Measuring Instruments	Digital Measurement and measurement of true RMS added in the course
2	IV	EET 203:Electrical Machines-I	Shuffling of contents
3	V	EET 301:Power Station Practice	Deleted contents repeated in other courses
4	V	EET302:Electrical Machines-I	Revised the contents
5	V	EET310:Instrumentation	Added content: Conversion of various transducer signals into electrical signals

6	VII	EET405:Switch Gear and Protection	Added content: Introduction to numerical relays.
7	VIII	EET409-3; Fuzzy Logic and Neural Networks	Revision of complete syllabus
9	VII	EET 304-4:PLC AND SCADA	Changed the course name to 'Design of Data Acquisition and Logic Controllers.'
12	III	EET202:Electrical Measurements & Measuring Instruments	Shifted to IV semester with code EET208
13	III	EEP202:Electrical Measurements & Measuring Instruments	Shifted to IV semester with code EEP208
14	IV	EET204:Network Analysis	Shifted to III semester with code EET207
15	IV	EEP204:Network Analysis	Shifted to III semester with code EEP207

Department: Mechanical Engineering

SN	Semester	Course code and Name in which revision was made	Salient features of Revision of syllabus
1	III	MET 202, Fluid Mechanics	Restructuring of the syllabus without changing the course content Unit-I - dimensional analysis is shifted to unit-VI unit-IV – separate unit on dynamics of fluid flow (removed from unit-III)
2	III	MET 203, Manufacturing Science-I	Restructuring of the syllabus. Reorganized the contents with not more than 5% change in course content. Unit-IV - Drilling is included, Unit- V- shaper is included Unit-VI – reconstruction of the content

3	III	MEP205, Industrial visit	Grade A to C is replaced by SF/USF. Internal Evaluation: PPT presentation / Viva Voce & report submission based on industrial Visit)
4	IV	MET 208, Dynamics of Machinery	Restructuring of the syllabus without changing the course content. Change in sequence of unit-I,II,III,IV, additional text book included
5	V	MET 301, Design of Machine element-I	Restructuring of the syllabus. Theories of failure is shifted from unit-II to unit-I. Contents of unit-III, IV, and V are changed. Design against fluctuating loads is included in Unit-III. Content of unit-III is shifted to unit-IV. Content of unit-IV is shifted to unit-I of Design of m/c elements- II MET402 VIII sem, Rotating disc and flywheel is included in unit-V.
6	V	MET302, and MEP302 Heat and Mass Transfer	Course title is changed. New title is Heat Transfer. Due to vast syllabus, Mass transfer is removed from unit VI
7	VI	MET309, Open Elective	Open elective courses are – MET309-1 Automobile Engineering, MET309-2 Robotics. List is included.
8	V	MET 303, Mechanical Measurement	Restructuring of the syllabus without changing the course content. Changes in Course outcome, Unit-I,II, IV, & V – reconstruction of the
9	V	MET 304, Production Technology	Restructuring of unit-III of syllabus without changing the course content. Unit-III – reconstruction of the content.
10	VII	MET 402, Design of Machine element-II	Unit-I is changed. Design of Flywheel is transferred to unit-V of Design of Machine Element-I VII Sem MET 301. Brakes and clutches are transferred from unit-IV of MET301 to unit-I
11	VII	MEP405, Project Phase-I	Internal assessment of 50 marks is changed to internal assessment of 25 marks and end semester examination of 25 marks.

Department: Civil Engineering

S.no	Semester	Course code and Name in which revision was made	Salient features of Revision of syllabus
1.	III	CET203	Syllabus up gradation considering pr. relevant.
2.	IV	CET205	Reference updated.
3.		CET206	NBA-2005 has been incorporated.
4.		CET207	Misc. water treatment method & std. of picked work added
5.		CEP207	Field testes has been incorporated
6.		CET208	Mix design by IS 10282, 2009 incorporated.
7.		CET209	Use of inverted staff traverse adjusted topics added.
8.		V	CET301
9.	CET302		Waste water classification added.
10.	CET304		Equipment & machineries topics added.
11.	CET305		Study of working and submission drawing added.
12.	CET306		Aquifer parameters added.
13.	CEP307		Effect English grammer, eassay, need and role of chart diagram topic added.
14.	VI	CET308	IS method for measurement of items
15.		CET310	Design of RE wall topic added.
16.		CET311	Rapidly reined & critical flow topic added
17.		CET314-1	Solid waste management topic added.
18.		CET314-2	Vastu concept- assessment method for green building.
19.	VII	CET402	Soil erosion topic added
20.		CET 403	Capital tax gain topic added.

21.		CET 404 – 1	Engg. concept & properties of construction material added.
22.		CET 404 – 2	RCC corrosion and preventive maintenance added.
23.		CET 404 – 4	Special geotechnical construction topic added.
24.		CET 405	References modified.
25.	VIII	CET 408	Analysis methods: break, even , Annual equivalent method.
26.		CET 409 – 3	Machineries & man power calculation, land requirement calculation.
27.		CET 409 - 4	Analysis and design of shear wall & earthquake
28.		CET 410 – 1	100% syllabus modified.
29.		CET 410 – 2	Analysis & design of service reservoir added.
30.		CET 410 – 3	No change
31.		CET 411 – 1	Classification of GPS receivers
32.		CEP 411 – 1	No change.
33.		CET 411 – 3	Design of flash mixture added.
34.		CEP 411 – 3	Determination of Ph, solids, alkaline & fisten selecton added.

Department: Industrial Engineering

S.no	Semester	Course code and Name in which revision was made	Salient features of Revision of syllabus
1.	VII	INT403 : Ergonomics	Ergonomics and Value Engineering courses are split into Ergonomics as regular course and Value Engineering added in the list of Electives in VIII Semester so as to have focused approach of teaching

2	VII	INT407: Industrial Automation	Elective of VIII Semester – Mechatronics is removed and important/ useful part of the course is added to Industrial Automation

Department: Management Technology

S.no	Semester	Course code and Name in which revision was made	Salient features of Revision of syllabus
1	I Semester	MBT503 Human Resource Management	1. Course outcomes were change 2.Strategic HRM from Unit I removed and added in Unit VI 3. In Unit 6 Recent trends in HRM added 4. Minor changes in 1,3,4&5
2	I Semester	MBT507 Business Legislation	1. Course outcomes added 2. Shares & Debentures removed from Unit 2 3. RTI kept for self study 4. project work included
3	II Semester	MBT09 Organizational Behaviour & Development	1. Course outcomes added 2. Project has been added 3. Minor changes in Unit 1,3,5 and 6
4	II Semester	MBT515 Operations Management	1.One objective added 2. self study topic highlighted 3. work measurement from Unit II removed 4. Techniques added 5. Project details added
5	III/IV Semester	MBT601-4 Sales and Distribution Management	1.Objectives were added 2.Self study topic mentioned

6	III/IV Semester	MBT601-5 Service Marketing	1.Course outcomes changed 2. field study and self study mentioned
7	III/IV Semester	MBT603-1 Performance Management & Compensation	1.course outcome added 2.Minor changes in all units 3.project work added
8	III/IV Semester	MBT603-4 Training & Development Practices	1.course outcome added 2.Introduction of mini project
9	III/IV Semester	MBT604-1 Operation planning & Control	1.Flow chart and process Innovation added 2. Recent Trends inOPC
10	III/IV Semester	MBT604-3 Service Operation	1.course outcome have been changed 2.field study and self study included 3. Service strategy removed and technology in service moved from Unit 6 to Unit 1
11	III/IV Semester	MBT603-7 Human Resource Planning	1.course outcome added 2.mini project added 3.Units are reshuffled accordingly
12	III/IV Semester	MBT603-8 International HRM	1.New course outcome added 2.Self Study included 3. Unit I condensed
13	III/IV Semester	MBT603-2 Management of Change & Organizational effectiveness	1.Course outcome added 2. Mini project at the end

14	III/IV Semester	MBT601-6 Rural Marketing	1.Recent Trends in rural marketing are added 2.self study topic was mentioned
15	III/IV Semester	MBT603-5 Industrial Relation & Labour Legislation	1.course outcome added 2. self study of ILO in unit 6 3. Mini project has been added 4. Minor changes in Units
16	III/IV Semester	MBT604-5 Quality Management	1.Course outcome changed 2.Selft study has been included 3. Unit 4 QBD has been removed
17	III/IV Semester	MBT604-7 ERP	1.Course outcomes changed 2. Self Study have been included
18	II Semester	MBT517 Quantitative Decision Making	Entire New Subject is added
19	II Semester	MBT518 Business Research Methods	Entire New Subject is added
