

**Shri Ramdeobaba College of Engineering and Management**

**ISO 9001:2015 Awareness Program**

**Date: 22<sup>nd</sup> July 2017**

In order to improve its overall performance and provide a sound basis for sustainable initiatives, RCOEM conducted a one day awareness program for its faculty members for understanding the ISO 9001:2015 standard. This program also served as a stepping stone for the college for a smooth transit from ISO 9001:2008 Standard to the new Standard. The awareness was provided by Ms. Kranti Dharkar and Mr. Vishwas Badkas from Shreyas Quality Management Systems, Nagpur. Mr. Vishwas Badkas introduced the ISO- 9000 standard to the participants. Later on the two speakers covered Clause 4 to Clause 10 of the standard. For each clause, they explained the need and its applicability to an educational institute and took examples to cement the concepts. The awareness session was attended by 21 faculty members of the college.
