Guest Lecture on Cloud Computing with Microsoft Azure

The IETE Students Forum, in collaboration with the Entrepreneurship Development (ED) Cell, organized a guest lecture on Microsoft Azure technology on November 20, 2023. The distinguished speaker for the event was Mrs. Priya M., Senior Lead at Global Logic India Private Limited.

Mrs. Priya M., a seasoned professional in cloud computing, delivered a comprehensive overview of the significance of cloud computing in the current technological landscape. The session focused on Microsoft Azure, offering students a detailed understanding of its capabilities. Real-world case studies and examples were shared, emphasizing Microsoft Azure's impact on electronics engineering projects.

The IETE Students Forum, in collaboration with the Entrepreneurship Development (ED) Cell, organized a guest lecture on Microsoft Azure technology on November 20, 2023. The distinguished speaker for the event was Mrs. Priya M., Senior Lead at Global Logic India Private Limited.

The IETE Membership cards and badges to the newly formed executive committee members were distributed at the hands of Mrs. Priya M. This symbolic gesture not only marked their official inclusion in the leadership team but also served as a tangible representation of their commitment to the objectives and values of the IETE ISF.
