# Independence Day

## AZADI KA AMRUT MAHOTSAV

Date: 15/08/2021

***"Let freedom be in mind, soul and body. Faith in your words and pride in your nature."***

Independence Day is celebrated with great enthusiasm and patriotic fervor on the 15th of August every year. This year, it was an initiative to celebrate and commemorate the 75 years of independent, progressive India and its glorious achievements, culture, history, and people. The theme for Independence Day was "SWADHEENTA KA AMRIT MAHOTSAV". On this special occasion, a beautiful Rangoli was made by NSS volunteers based on the theme. A total of 18 NSS volunteers were on hand to ensure proper management of the event. The program started with the flag hoisting ceremony which was commemorated at 09.30 am by the hands of honorable chief guest Shri Chandrakantbhai Thakkar (Vice Chairman, Shri Ramdeobaba Sarvajanik Samiti), in the presence of Shri Kailashchandji Agrawal (Secretary, Shri Ramdeobaba Sarvajanik Samiti) and honorable members of Shri Ramdeobaba Sarvajanik Samiti, Shri Bhagwandasji Daga and Shri Dineshji Agrawal along with other respected dignitaries, Dr. R. S. Pande Sir (Principal, RCOEM). The students and other staff members attended the program live by the means of YouTube. The National Anthem echoed in the entire campus. Later, the chief guest addressed the crowd by reminding everyone of the sacrifices made by freedom fighters and motivated us so that we would serve our motherland, 'India' with heart, body, and soul to bring it glory and laurels with our dignified deeds. Anchoring was done by NSS volunteers, Mr. Atharva Ghodki and Ms. Pratigya Singh. Further, a vote of thanks was given by NSS volunteer Mr. Vyankatesh Baheti. An inspiring video by NSS volunteers was streamed online through YouTube in which a poetry was recited by Ms. Prashansa Khandelwal. Dance club, drama club, literary club, and music club performed various acts, awakening everyone's feelings towards their motherland.

## Independence Week - Amrit Mahotsav

Date: 10/08/2021 - 14/08/2021

The celebration of Independence Day signifies the solidarity of the citizens towards the nation. The series of events organized by the government of India to celebrate the 75th anniversary of India's independence was based on public participation and revolved around five themes- the freedom struggle, ideas, achievements, actions and resolve at 75. This year, NSS Unit, RCOEM, celebrated "**Swadheenta Ka Amrit Mahotsav**" for one complete week starting from August 10 to August 14.

On August 10, the players who won a medal for India in Tokyo Olympics 2021 were admired by posting stories about their significant contribution in their respective sports on our social media handle. The athletes were- Neeraj Chopra (Gold in Javelin Throw), Ravi Kumar Dahiya (Silver in Wrestling), Mirabai Chanu (Silver in Weight Lifting), P. V. Sindhu (Bronze in Women's Singles Badminton), Lovlina Borgohain (Bronze in Women's Welterweight Boxing), Bajarang Punia (Bronze in Men's Wrestling) and Indian Men's Hockey Team (Bronze in Hockey). Also, stories of the players who played exceptionally well but failed were posted which included Saurabh Chaudhary (Men's 10m Air Pistol), Kamalpreet Kaur (Women's Discus Throw), Aditi Ashok (Women's individual Stroke Play), Deepak Punia (Wrestling) and the Women's Hockey team. The stories of the Indian medalists from the 2016 Summer Paralympic Games were also posted which included Devendra Jhajharia (Gold in Javelin Throw), Mariyappan Thangavelu (Gold in Men's high jump), Deepa Malik (Silver in Shot put), and Varun Singh Bhati (Bronze in high jump). **It was a moment of great honor and pride for RCOEM when Sir Varun Singh Bhati, reposted the story.**

The stories of Instagram on August 11 depicted a nectar of inspiration from freedom fighters and a salute to all these unsung heroes of India. The stories included the contribution of the tribal warrior 'Birsa Munda', the fierce knight 'Ram Prasad Bismil', the silent hero 'Potti Sreeramulu', the revolutionary fighter 'Batukeshwar Dutt' and Manipur ki rani 'Rani Gaidinliu'.

On August 12, the unit spread the message of 'Atma Nirbhar Bharat' by posting stories mentioning people who contributed to making India self-reliant in various sectors, inspiring others to do the same. The contributions of Perala Manasa Reddy (a student who turns sewage pipes into low-cost homes for the needy), Samir Jamatia (a tribal entrepreneur who exports 600 kgs of Bamboo leaf tea to the UK and Europe), Tukaram Gunjal (a farmer who maximized profits with organic farming), Navin Mali (a Gujarat farmer who built an innovative solar- powered tractor) and terracotta artisans of Asharikandi (who keep the ancient craft of Harappan Civilization alive) were covered.

The stories on August 13 introduced some ideas and resolutions such as alternatives of plastic, development of medical devices, e-waste management, crop residue management, and water recycling technologies for a better India. On this day, the NSS Unit, RCOEM participated in the event **Fit India Freedom Run Campaign** along with all the NSS units of all the universities. The volunteers prepared a short video and spread it to encourage and promote fitness culture and the spirit of sportsmanship among youth. A short video to generate enthusiasm and infuse patriotism among youth and people, in general, was also prepared. The volunteers also made comic-style posters and spread awareness about the two objectives productively.

On August 14, stories on the Instagram handle mentioned some rare facts about India to acquaint people with its greatness and pride. The NSS volunteers sang the national anthem together on Zoom (an online platform) to show respect towards the brave souls and posted the video on the official YouTube channel on August 15. Nearly 1.5 crore Indians contributed to singing and recording the national anthem and the NSS Unit being one of them, was honored by a certificate. Thus, the celebration of Independence week ended with great zeal and vigor. 51 NSS Volunteers participated in these activities.

# Ganesh Utsav

Date: 07/09/2021 to 19/09/2021

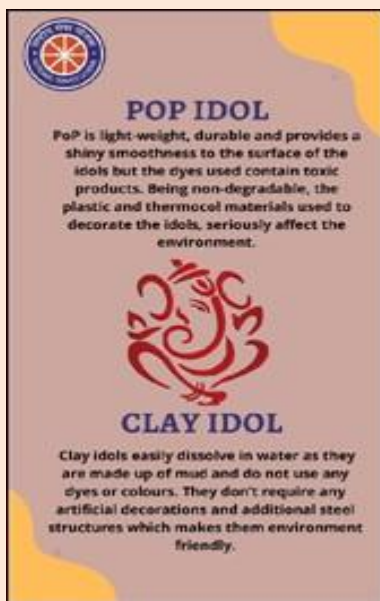

Every year, the festival of Ganesh Chaturthi brings utmost joy, energy and devotion. With each passing season, the adverse environmental effects of idol immersion on water bodies and the ecology of surrounding areas keep worsening at an alarming rate.

Thus, in order to help the society, NSS Unit pledged to celebrate this festival in an environment-friendly way. To spread awareness, stories were shared on the official Instagram page which demonstrated the advantages of clay idols over PoP idols. The stories illustrating the significance of Ganesh Chaturthi were also shared. A video consisting of various ways to make the festival an eco-friendly one was posted on the official YouTube channel of NSS RCOEM.

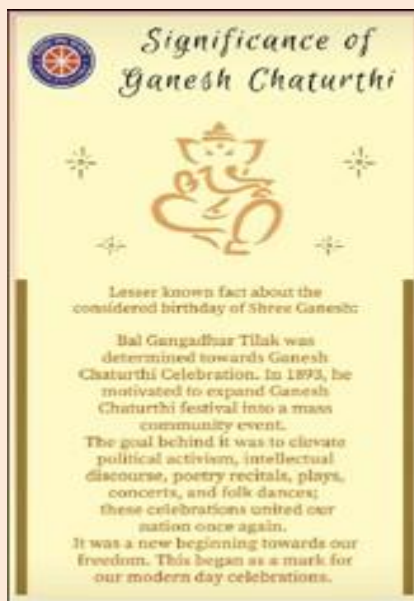

This year, the Home Ministry of Maharashtra issued a series of guidelines in order to take proper measures to ensure safe celebration of the festival by making *Sarvajanik Ganesh Utsav* celebration a simple and intimate affair. In association with **Police Sub Inspector Sakharam Mole Sir**, NSS Unit, RCOEM, posted a video on the YouTube channel in order to acquaint people with the guidelines for safe Ganpati Visarjan. All the NSS volunteers played a major role in spreading awareness by sharing the video on social media. Thus, NSS Unit celebrated the festival of Ganesh Chaturthi with great fervor and made sure to bid farewell to Bappa in the safest way possible.

## Raksha Bandhan

Date: 21/08/2021 - 22/08/2021

***"When we give cheerfully and accept gratefully, everyone is blessed."***

India's festivals reflect the country's rich cultural abundance. Breaking the humdrum of daily routine, these festivals bring with them a wave of excitement, happiness, and hope even in the most difficult times. This year, the NSS Unit of RCOEM celebrated the festival of Raksha Bandhan with an aim to spread togetherness and love with the underprivileged kids on 21st August 2021 and with the Central Reserve Police Force (CRPF) on 22nd August 2022.

The Unit encapsulated the belief of sharing happiness and the joy of festivities with those who come from ordeal circumstances, celebrating the day with more than 50 underprivileged children living in slums. The volunteers gathered and went together to the slums at 9:00 am. The event commenced by trying to make them comfortable by interacting with them. The event then proceeded by tying Rakhi and distributing gifts. The volunteers were indeed satisfied with their happy faces.

The Indian flag does not fly because the wind moves it, it flies with the courage of soldiers who stand protecting it. To express gratitude to these brave-hearted brothers, the unit celebrated Raksha Bandhan tying Rakhi to more than 80 trainees of CRPF with complete rituals at GC campus, Nagpur. Some of them came up with presents for us. There were special arrangements done by them for the event. A march was also demonstrated which made the event indelible. Later, NSS volunteer, Ms. Bhavika Ruchandani spoke a few words on behalf of the whole NSS Unit and was honored with a CRPF cap.

A total of 15 volunteers each day in Nagpur and many others individually from their respective towns and cities became a part of this event. The NSS Unit of RCOEM thus celebrated the festival with great zeal by conveying the message of togetherness and spreading smiles.

## NSS FOUNDATION DAY

Date: 25/09/2021

Platform: Google Meet

***"The smallest act of kindness is worth more than the grandest intention."***

National Service Scheme (NSS) was launched during 1969, the birth centenary year of Mahatma Gandhi, in 37 universities as a Youth Service Programme by the Government of India. It expresses the essence of democratic living, the need for selfless service, appreciation of the other man's point of view, and also a consideration for fellow human beings. The cardinal principle of the NSS program is to get a sense of involvement in the task of nation-building. The NSS Foundation Day program was commemorated using a digital platform i.e. Google Meet.

The event commenced at 02:00 pm in the presence of honorable chief guest Shri Milindji Pathak (Member of 'Board of Studies' Electrical Engineering GHRIET, Nagpur), Dr. Amit Anurag (NSS Program Officer), and Prof. Saket Kanetkar. A total of 147 students were present during the session. The program started by displaying a glimpse of all the events organized by the NSS Unit in the previous academic year through a video. Mr. Riddhesh Nawgaje (Secretary, NSS Unit, RCOEM) introduced our upcoming event, i.e., "Code Heist - The Social Hackathon". Also, the results of the "Content Writing Competition" were declared. Further, the honorable chief guest enlightened us with his words of wisdom by emphasizing how engineers can contribute to the betterment of society.

Later, Dr. Amit Anurag extended his gratitude towards Shri Milindji Pathak and all the attendees of the program. Anchoring was done by NSS volunteers, Mr. Atharva Ghodki and Ms. Prashansa Khandelwal. All in all, the event turned out to be a huge success by the collective efforts of all the NSS volunteers and the guidance of the faculty member.

## Code Heist - The Social Hackathon

Date: 02/10/2021 - 20/10/2021

Platform: Google Meet

Various hackathon competitions are conducted globally to address real life business problems or social issues. This year NSS Unit, RCOEM took the initiative to organize a similar competition to find some inventive solutions for the current social issues and contribute in creating a better future for the society. The name of the event was **Code Heist - The Social Hackathon**. An event where participants were indulged in brainstorming problem statements based on real life necessities of the society. A total of 75 teams participated in the event.

As a part of a brainstorming session / introductory session (held on 02/10/2021), five problem statements were presented before the teams, out of which the teams selected the one that they wish to solve over the course of competition. The problem statements required participants to provide solutions to health issues in rural areas, pedestrian safety, virtual health assistant, face mask detection and social distancing. The event consisted of 5 rounds. The 1st round (held on 03/10/2021), **“Buckle Up”**, was a proposal submission round. The astonishing start of the event made participants even more enthusiastic and committed.

In all, 29 teams appeared for the 2nd round (held on 06/10/2021) which was the **“Kick Off Session”**. In this round, participating teams were asked to present their basic idea and approach towards the problem statement. The judges for this round, assistant professors of RCOEM, Dr. Shailendra Aote, Prof. Madhuri Tayal, Prof. Aarti Karandikar and Prof. Khushboo Khurana guided the participants for their project.

This was followed by the 3rd round (held on 16/10/2021), **“Run Time Terror”** which was a code submission round. 25 teams were selected for this round. It was expected to code for the software part of the chosen problem statement in the given time limit of ten days.

Further, 13 teams qualified for the next round. In the 4th round (held on 17/10/2021) of the event i.e., **“Knockout Geeks”**, the teams had to explain their problem statement and the code submitted by them in the previous round. Our judges, Mr. Tanmay Shirbhate (Software Engineer in ZS Associates), Mr. Deepak Jha (Product Manager at Stealth Startup) and Mr. Amit Prithyani (FrontEnd Specialist, YouPal Group, Sweden) also gave their valuable suggestions for the betterment of each project and guided them on how they can improve their product. The round gave each team an opportunity to discuss their ideas with industry experts. It allowed them to enhance the quality of their product through constructive feedback.

The selected six teams moved further to the decisive round (held on 20/10/2021), i.e., **“Final Pitch”**, which expected an updated version of the product made by participants, inculcating suggestions given by the judges in previous rounds. The judges for the final round were Mr. Deepak Jha and Mr. Amit Prithyani. And the anchoring was done by NSS volunteers, Ms. Kalyani Trivedi and Ms. Deepti Dekate.

Consequently, the first position was secured by Bug Hunters(T-41), who provided solution for the health technology in rural areas, followed by Coding Geeks(T-33) on second position, who provided solution for face mask detection and social distancing and the third winning team was

Bhagwan Bharose(T-52), who provided solution for the pedestrian safety. Accordingly, they secured rewards of ₹3000, ₹2000 and ₹1000 along with a shoutout on the official instagram handle of NSS Unit, RCOEM. Overall, the event nurtured the potential and gave all the participants a platform to showcase their innovative ideas & projects and improve further to achieve heights of success in this competitive world. The event was concluded by Ms. Maahi Kanojiya (NSS volunteer) presenting the vote of thanks, expressing gratitude towards judges of the event, participants and organizing team for making this event successful.

Thus, organizing this social hackathon helped to develop a creative space for enthusiastic coders to meet, learn and work together and aided the unit to promote solutions to social issues and bring sustainable changes in the society.

# NATIONAL UNITY DAY

Date: 31/10/2021

Platform: Google Meet

*"By common endeavor, we can raise the country to a new greatness."*

India is one of the ancient civilizations in the world and a home to a plethora of ethnic groups professing different cultures and religions. Being a secular country with diversified cultures, it has set a brilliant example of unity in diversity. As an endeavour to solidify the bond of oneness and unification, we celebrate the birth anniversary of Sardar Vallabhbhai Patel on 31st October as **National Unity Day** (Rashtriya Ekta Diwas).

To remember and celebrate his veritable contribution during the freedom struggle and to lay a foundation of a unified country fused with oneness, NSS Unit, RCOEM organized a webinar. The idea was to infuse the young future generation with values integrated with the knowledge and adoration about the country's rich heritage. The event commenced at 01:00 pm with the presence of 58 attendees. The guest speaker for the event was Dr. Rajashree Markendewar, National Trainer JCI, India. The topic for the webinar was **"Together We Can"**. While addressing the participants, she briefly explained how together we can bring a change for the betterment of the nation. She also acquainted us with some great personalities like **Popatrao Pawar**, who turned his village, Hiware Bazar, into a self-sufficient, clean and green village; **Dr. Abhay Bang** and his wife, **Dr. Rani Bang**, doctors who over 30 years transformed healthcare in Gadchiroli, Maharashtra and many more. She included some inspiring and motivating quotes in the presentation which helped the audience to inculcate a sense of responsibility towards the society. To keep the session interactive, she asked the participants to share their views regarding the activities that can be performed for a better future.

Later, she ended the presentation by appreciating the initiative taken by the NSS Unit. The anchoring of the event was done by NSS volunteer, Ms. Aashi Betharia. The session was concluded by a vote of thanks given by NSS Joint Secretary, Ms. Niharika Lodha, expressing special gratitude to the speaker and the participants who made this event a grand success.

## Voter's ID Registration Drive

Date: 21/11/2021

***"Voting is not only our right - it is our duty towards the nation."***

The Indian voter ID card is an identity document issued by the Election Commission of India to adult domiciles of India who have reached the age of 18, which primarily serves as an identity proof for Indian citizens while casting their ballot in the country's municipal, state, and national elections.

This year, NSS Unit, RCOEM organized a Voter's ID registration drive under the scheme of SVEEP (Systematic Voter's Education and Electoral Participation program) for the students of Shri Ramdeobaba College of Engineering and Management who do not have their voter ID. The registration drive was conducted on 21/11/2021 and commenced at 12 pm under the guidance of Dr. Renuka Nafdey ma'am, the representative of the Electoral Literacy Club. The registration booth was set up and managed by two government officials at college premises. The NSS volunteers spread awareness for the drive by making flyers and posting them on social media from 17/11/2021. A total number of 193 students registered themselves through the Google form and 110 out of them participated in the drive, consisting of 65 boys and 45 girls.

The event was thus successfully conducted by inculcating electoral awareness and providing rightful means to young voters to strengthen the democratic electorate. 16 NSS Volunteers coordinated this event.

## World AIDS Day

Date: 01/12/2021

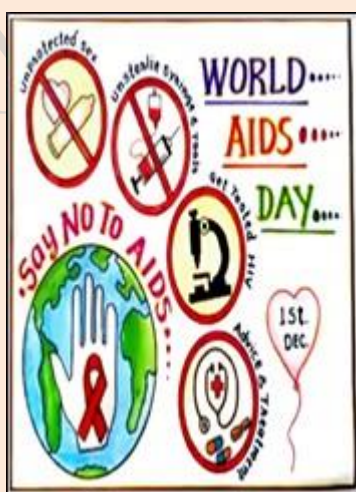

***"Make your voice a potent weapon to create a beautiful earth, one without AIDS."***

Every year, on the 1st of December, the world commemorates World AIDS Day where people around the world unite to show support for people living with HIV and to remember those who have died from AIDS-related illnesses. Each World AIDS Day focuses on a specific theme of spreading awareness in various ways.

This year, NSS Unit of Shri Ramdeobaba College of Engineering and Management took the initiative and conducted a poster making competition which encouraged students to promote socialism through their elegant art. 09 NSS Volunteers actively coordinated this event. AIDS awareness was the theme followed for the competition. The posters included both handmade as well as digital art. A total of three prizes were declared among 11 entries and the winners were given a shoutout on the official Instagram page of NSS Unit, RCOEM. The winners were as follows:

Rank 1: Ms. Isha Khurana

Rank 2: Ms. Anisha Singh

Rank 3: Ms. Pooja Jain

## National Youth Day

Date: 12/01/2022

Platform: Google Meet

**"Youth is not a time of life; it is a state of mind; it is a matter of the will, quality of the imagination, a vigor of the emotions."**

In India, every year we celebrate 12th January as National Youth Day with great joy and enthusiasm. The day is observed to commemorate the birth anniversary of Swami Vivekananda, one of the greatest philosophers and spiritual leaders. He always motivated the youth of the nation and spoke about the right use of the youth power in the development of the country.

To remember and honor the principles of Swami Vivekananda, a webinar was organized by the NSS Unit of Shri Ramdeobaba College of Engineering and Management. The event commenced at 04:30 pm and a total of 75 participants attended it. The topic for the webinar was "Revisiting the teachings of Swami Vivekananda and channelizing youth power for nation building". The speaker for the session was Dr. Sagareeka Roy Bhatia, an author, a parenting coach and a lead auditor for educational institutions. While addressing the participants, she reflected light on the teachings of Swami Vivekananda and their importance for the youth, explaining their role in nation building. She said that students must imbibe the qualities of curiosity and fearlessness in every endeavor they undertake. After her inspirational speech, we also introduced our upcoming event, i.e., "Youth Monologue Competition", in which participants would submit their monologues based on the teachings of Swami Vivekananda in the form of a video.

Later, Ms. Niharika Lodha (Joint Secretary, NSS RCOEM) extended vote of thanks towards the honorable chief guest, Dr. Sagareeka Roy Bhatia and all the attendees of the program. Anchoring was done by NSS volunteer, Ms. Kalyani Trivedi. Thus, the collective efforts of NSS Unit brought the event to a success.

## Republic Day

Date: 26/01/2022

***"Education is the most powerful weapon which can be used to change the entire world."***

26th of January is celebrated as Republic Day with great enthusiasm and joy nationwide. India has been a home to some of the most accomplished teachers throughout history, who have enlightened not only their disciples but the society at large. They went above and beyond to help build societies that respect knowledge and promote unity. As we celebrate Azadi ka Amrit Mahotsav this year, recognizing the contribution and importance of teachers, Shri Ramdeobaba College of Engineering and Management commemorated the 73rd Republic Day, emphasizing on the theme, **“Rashtra Nirman me Guruo ka Yogdan”**.

The celebrations commenced at 09.00 am with a flag hoisting ceremony by the hands of honorable chief guest Shri Govindlalji Agrawal (Vice Chairman, RCOEM) in the presence of Shri Bhagwandas ji Daga (Member of Executive Committee), Dr. R.S. Pande Sir (Principal, RCOEM), deans, HODs and other dignitaries. NSS volunteers - Ms. Shruti Pai and Mr. Himanshu Yelchatti were the anchors during the event. Everyone saluted the National flag and sang the National Anthem in unison. Subsequently, our chief guest addressed the crowd with an inspirational speech which left the audience with a feeling of patriotism. He emphasized on the importance of keeping our rich cultural heritage alive. He motivated us to ensure unity and help our country prosper. He inspired students to work hard and become more resilient. He also encouraged us to follow COVID protocols to ensure safety. Furthermore, the event was concluded with a vote of thanks presented by Ms. Mansi Agrawal (Secretary, NSS Unit). The programme further proceeded with various performances by NSS Unit, Literary Club, Music Club, Dance Club and Drama Club, making the audience speechless. 25 NSS volunteers were present for the smooth functioning of the event. The entire celebration was streamed live on YouTube for teachers and students watching from home. All in all, the zealous celebrations reflected the important role of teachers in nation building.

Also, celebrating the occasion, saluting the freedom fighters who sacrificed for their dream of creating a better tomorrow through their memory, the names of 75 unrecognized freedom fighters from Nagpur were showcased in the college premises. Various informative posters were arranged by the NSS Unit, portraying the life story of great teachers. Also, paintings were made depicting the culture of gurukuls and the names of scholar teachers in different domains were showcased. On this auspicious occasion, NSS Unit also donated 11 blankets to the gardeners of the college by the hands of chief guests of the event. Despite the pandemic, the complete event was brought to a grand success.

# Mega Blood Donation Campaign

Date: 25/02/2022

*"A drop of your blood is an extension of lifespan for someone else."*

The NSS Unit of Shri Ramdeobaba College of Engineering and Management, Nagpur organized a Mega Blood Donation Campaign in order to serve the people in need and spread its awareness. The event took place at the main auditorium of our esteemed college in collaboration with Dr. Hedgewar Blood Bank, Nagpur on 25th February, 2022.

The campaign commenced at 09:00 am with great enthusiasm and spirit. For the inauguration of the campaign, Shri. Ashokji Patki (Head Secretary, Dr. Hedgewar Blood Bank), Dr. R. S. Pande sir (Principal, RCOEM), Shri Sanjay Kargutkar (Administrative Officer RCOEM), Dr. Amit Anurag (Program Officer, NSS Unit, & HOD, Phy Edu) and Prof. Saket Kanetkar (Asst Prof, Phy Edu) were present on this occasion. Shri Rajendra Purohit, General Secretary of RCOEM along with other Members visited the Camp. In total, 85 NSS volunteers were a part of this campaign. The students, the teaching and the non-teaching staff of the college participated in the camp in a huge quantity. The procedure initiated with filling a form which included the donor's personal details, medical history, etc. Further, the blood group and hemoglobin tests were done. Later, the eligible donors received a blood bag according to their respective blood groups and started donating blood under the invigilation of an experienced team of nurses. Furthermore, they were shifted to a comfortable area for rest. We provided a few edibles along with a blood donation badge and bid them with exciting gifts.

The event concluded at 05:00 pm and the total number of donations were recorded are 446 among 506 Registered in which 60 persons were becoming not eligible because off some medical reasons. Also, no casualties occurred during the whole campaign. A total of 83 volunteers were present in the camp. It is a proud moment for the NSS Unit, as this was the largest Blood Donation Camp organized in the past two years in Nagpur. The combined efforts of NSS volunteers and the supportof faculty members contributed in making the event a great success.

## Socio-Cultural Special Camp

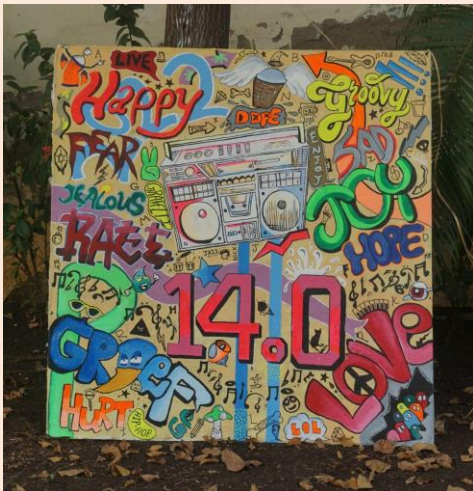

**Date: 21/03/2022 to 28/03/2022**

NSS or National service scheme is an initiative by the Ministry of Youth Affairs and Sports with the motto of NOT ME BUT YOU. It is created to develop an awareness and concern for the wellbeing of the community and engage the youth in creative and constructive social action.

PRERNA is a week-long socio-cultural camp curated by NSS UNIT, RCOEM. Resuming the legacy of offline, PRERNA 14.0 was as grandeur as its predecessors. PRERNA gives an experience worth cherishing to technical students and awakens within them a need to understand and fulfill their duties and responsibilities as citizens of the society to the best of their abilities.

Courage is being able to do what is right and virtuous, irrespective of the circumstances.

Change will happen the moment we have courage to bring the change, the courage to accept the change. Every morning brings a new change in our life. To grow and to learn something new we need courage. Henceforth the theme of PRERNA 14.0 – COURAGE TO CHANGE.

## House of Laws

Date: 21/03/2022 and 24/03/22

***"The health of a democratic society is measured by the quality of functions performed by private citizens."***

This year, the NSS Unit of Shri Ramdeobaba College of Engineering and Management took the initiative to introduce Indian democracy and laws to engineering students through an event called "House of Laws", conducted under PRERNA 14.0. The event stretched over two days and consisted of four rounds, each based on a pillar of democracy. Around 81 teams, of four participants each, participated in the event.

The first round was based on the first pillar of democracy, i.e., **'The Executive'**, in which the participants were given a set of three question papers. The questions were related to various domains, which included general knowledge of Indian history, geography, laws, politics, and economics. The response to the round was overwhelming. A total of 40 teams qualified for the next round, which was based on the second pillar of democracy, i.e., **'The Judiciary'**. In this round, each team was allotted a hypothetical case and was asked to research and debate with the opponent team. The judges for the round were Adv. Ishaan Tambi (Practicing Advocate at Bombay High Court, Nagpur Bench) and Adv. Kiran Bisani (Junior Advocate at High Court and State Commission). The participating teams were judged on their professional behavior, knowledge of laws, communication skills, and arguments made during the court proceeding. This was followed by the third round, which was again based on a pillar of democracy - **'The Legislature'**. A total of 14 teams competed in this round, with each team assigned a ministry. The teams were asked to provide solutions, amendments, or new schemes to the flaws in pre-existing laws of the particular ministry. The third round of the event was judged by Ms. Ankita Sengupta (Junior Researcher, Dept. of Political Science, Nagpur University).

The final round consisted of six teams, which was based on the fourth pillar, **'The Media'**. In this round, the participating teams were expected to answer the questions of the opponent teams as well as the audience. The chief guest for the final round was Adv. Nandesh S. Deshpande (Assistant Solicitor General of India, Bombay Highcourt, Nagpur Bench). He was facilitated with a memento and a sapling by the hands of Prof. Saket Kanetkar. The three top teams were selected as winners and awarded with a book.

The event was concluded by Mr. Laxmikant Kabra (NSS volunteer), as he expressed gratitude towards the judge, participants and the organizing team. Group of 10 NSS Volunteers Coordinated the Event. All in all, the event was a huge success.

# PRAYAS

Dates: 21/03/2022, 23/03/2022 and 26/03/2022

## *"The secret of getting ahead is getting started"*

This year, the NSS Unit of Shri Ramdeobaba College of Engineering and Management, Nagpur organized "Prayas", under PRERNA 14.0 differently. It was a time-limited event with government financing to empower youth, where all the participants were given problem statements based on the real-world problems in villages to boost their problem-solving and innovation skills. The event stretched over three days and consisted of three rounds. Around teams of four participants each participated in the event.

The first round of PRAYAS, the '**Brainstorming session**' was conducted on 21st March. In this round, all the team members were instructed to brainstorm and go through at least 3 research papers related to the assigned problem statement and propose a feasible, budget friendly solution to the problem using engineering solutions and also prepare the market survey documents of their respective topics. A time limit of 7 minutes was given to each team to discuss their problem statements with their respective mentors. The anchoring for the round was done by the NSS volunteers, Ms. Akshita Sharma and Mr. Kartikraj Agrawal.

The 20 shortlisted teams were qualified for the second round, which was the '**Presentation round**'. In this round all the teams had to prepare a PowerPoint presentation providing a briefing of their problem statement, their suggested solution, its objective and manufacturing cost, technologies involved in it and the workflow of the project (containing marketing, manufacturing and implementation). Each team was given 7 minutes for their presentation and the remaining 3 minutes was a Q&A session with our panelists. We were elated to have with us the Founder and CEO of The Imperial Lubricants (TIL), Mr. Apurv Dey and Managing Partner of Inno Venture, Mr. Rahul Laddhad as our esteemed judges for this round. The anchoring for the round was done by the NSS volunteers, Ms. Akshita Sharma and Ms. Anjali Kushwaha. The judges were facilitated with a memento and a sapling by the hands of Dr. Amit Anurag Sir (NSS Program Officer).

The third and the final round of the event was the '**Final pitch and review paper submission**' round, consisting of top 10 shortlisted teams. For this round, the teams were expected to pitch their idea in front of the panelists and submit a review paper on their respective topics (of minimum 4 pages) to the industry experts. There was a Q&A session where each participant got the opportunity to have a one-on-one interaction with our experts. We felt honored to have with us the Founder and CEO of The Imperial Lubricants (TIL), Mr. Apurv Dey and the Director IT Tech of AceTech Ventures, Mr. Amit Prithyani as the judges for the round. They were facilitated with a memento and a sapling by the hands of Prof. Saket Kanetkar. The anchoring for this round was done by the NSS volunteer, Mr. Kartikraj Agrawal.

The event was concluded by Ms. Niharika Lodha (NSS Joint Secretary), as she expressed gratitude towards the judges, participants and the organizing team. Group of 12 NSS Volunteers Coordinated the Event. All in all, the event was a huge success

# REFLECTION

Date: 25/03/2022

*"The principle of true art is not to portray, but to evoke."*

Under "PRERNA 14.0", An event named "reflection" was organized on 24/03/22. It started at around 11:00 am. The event included an exhibition of paintings, photographs, photo stories, and posters. The theme of the event was "Indian Sign Language". The students were supposed to brainstorm and express them out of the box ideas through the paintings, photographs and posters in different rounds. Ensuring they convey an impactful social message through their ideas. The guest and the judge of the event was Mrs. Jyoti Santape, Special Educator at deaf and dumb school, Nagpur.

The judge also interacted with the participants and appreciated the efforts of the team. In this event, A total of 300 students participated enthusiastically. Out of the total participants, the best 3 winners were awarded.

The event gave an opportunity to the youth to showcase their artistic talents and creativity and also widen their horizons on the given theme. The theme imparted a social message and the students have taken it as a learning experience. Events like these, keep the competitive spirit of students alive and boosts them to participate more.

# Health Check-Up Camp

Date: 23/03/2022

***"Health is the primary wealth of human beings and must be protected."***

Obliging to the quote, the NSS Unit of Shri Ramdeobaba College of Engineering and Management organized a health check-up camp under PRERNA 14.0. The camp was exclusively organized for the teaching and the non-teaching staff of the college. The camp was held in the main auditorium of the college.

The campaign commenced at 09.00 a.m. Arrangements for free dental check-up, eye check-up, blood pressure, diabetes, ECG and BMI check-ups were made. The unit collaborated with three hospitals, namely "Advance Dental Care", "Vision Express", and "Rhythm Heart and Critical Care". Four renowned doctors were invited to the campaign, along with more than nine nurses and staff. After looking over the patients, some of the required medicines were also provided to them. The doctors prescribed necessary actions and precautions, if needed to be taken.

A total of 63 staff members and 38 volunteers benefited from the camp. Further, NSS Program Officer, Dr. Amit Anurag Sir, wished well to all and congratulated the team of expert doctors. The team was then facilitated with a memento. The event was a huge success.

Venue: Muradpur

***"The greatest happiness in the world is in helping the people you don't know and seeing them happy."***

The NSS unit of Shri Ramdeobaba College of Engineering and Management, Nagpur organized a village visit camp under the Prerna 14.0, in which more than 80 NSS volunteers and two faculty members visited a village named Muradpur, adopted by the NSS Unit, RCOEM for community development and to raise awareness amongst the villagers. Muradpur is a village located at approximately 50 Km from Nagpur in Umred Block, Nagpur District. The village has a total geographical area of 387.23 hectares (according to the 2011 census) and a population of 330 people with 65 households. The nearest primary healthcare center is located in Bela (10 km). The village has a primary school up to class 4th, after which the students have to travel to a neighboring village named Chargaon (3km) for high school.

After their arrival in the village, the NSS team interacted with the villagers, attempting to comprehend their problems and put solutions in place. Several activities were organized for the village development, including a health care campaign in collaboration with Mother and Children Care Hospital, Nagpur for village children, a village cleanliness drive and the painting of village walls with positive slogans. A skit was also performed by the NSS team promoting awareness related to hygiene in the locality. The skit was performed in Marathi in order to ensure the message reached the masses. The NSS team also contributed around 140 blankets to the villagers. Later, the Village Sarpanch appreciated the efforts of NSS UNIT.

The main goal of this village camp was to raise awareness among village residents about social issues such as hygiene, health, education and other topics. Helping villagers was an incredible experience for the entire NSS Unit.

The visit to the village was a big success. The people of the village were extremely helpful and friendly. The NSS team would not have been able to complete the task without their cooperation.
