

CLUB ORIENTATION REPORT 2021-22

DANCE CLUB

On 5th Sept 2021, a club orientation was organized for the first years. This event was 2 hours long (4 pm to 6 pm) and was held through the zoom platform. About 320+ students of first year attended this meet in the presence of Dean SRC and the entire SRC team. Aditi Singh and Ashlesha Bonkinpelliwar, dance club coordinators, led the dance club orientation. On the 11th and 13th of September, students had the opportunity to interview with the club and learn more about the opportunities that await them. Students were briefed on the dance club's workings, history, achievements through a PowerPoint presentation and were given an overview of all the events that were held by our club. A video was made to demonstrate the first years about our enjoyment, hard work, bonds, and memories over the years. The students were given detailed instructions and information about the auditions so that they could participate without any doubt or aggravation. Sreya Vallabhaneni, a fourth-year student and member of the dance club, joined us for the senior interaction session and shared her experiences in the dance club as well as guided us through the club's accomplishments. Finally, a Question and Answer session was held for first-year students, during which we answered their questions about our club, audition dates, prerequisites, and so on. We had a great time and dispersed with the sincere hope that such orientations should be held time and again, giving newly recruited students the opportunity to showcase their talents in the college, outside of the college, and especially in our auditions for dance club membership.
