

READERS' REVERIE LITERARY CLUB

Club Orientation Report

Club orientation was held on 5th September 2021 at 4pm in the online mode through zoom platform. All the first years from all branches were invited and over **+320 students attended** the event. The event was moderated by club members **Ameya Shrivastava** and **Mrudani Deosthali**. Students were oriented about the club and the upcoming interviews that are to be held on 14th and 15th September. Through PowerPoint Presentation students were briefed about the club functioning and its principles along with a brief overview of all the events conducted by our club like **Speak Out loud, Aalekh and Youth Parliament**. **Aftermovie of SOL'2021** was shown right after this. This was followed by a **QNA session** with the first years in which we answered their queries related to our club, auditions dates, and about all the in-house activities of the club. Towards the end a fun activity was conducted through Google form which was an **Personality Based Eligibility Test** in which student had to choose one option for each question pertaining to their personality and towards the end an automatic message was shown telling them whether they were eligible or not to sit in our interviews. Since reverie is made up of all types of personality throughout the spectrum and we believe our difference is what makes us unique each student was shown that were in fact eligible to sit in our interviews.
