

REPORT 2022-23

INTRODUCTION

Music Club is one of the oldest clubs of the college which has been successful in attaining a strong base and foundation in the college. It was established in the year 1988 and is currently active in the college under the mentorship of Prof. H.D.Bhave who is the teacher-in-charge of the club. The club has been active in various cultural events conducted throughout the year in college such as Aaruni, Pratisruti, even events like NAAC, IEEE, Alumni Night as well. Apart from this the club has been constantly performing on Republic Day and Independence Day. All the musical performances inside the college are looked after by Music Club. The club also plays an important role in supporting the members for various competitions such as University Trials and other Youth fests held in various parts of the country. The club also participates in cultural fests such as Mood Indigo (IIT Bombay) and Spring Fest (IIT Kharagpur).

EVENTS

1. Independence Day

Every year, the club sets a level higher for themselves in terms of musical performance. Preparations start two weeks before, and our efforts showed in. Ranging from patriotic songs from newer films to Marathi songs, the club covered all the essence of patriotism. The performers were in an attire of 'safa' and white kurta, which is a sort of ritual in the club. The diverse songs help every musician to improve their skills, as well as experiment with music.

2. Aaruni

The Cultural Night marks the end of the Aaruni week. The newcomers in the club, the first years, get to perform for the first time. The freshers of the club give a wonderful performance and starts their journey in the club. The freshers are welcomed into the club with a special ritual of the club, with a song 'Aashiyan', which also is a name given to our club, i.e our home.

3. Republic Day

This year's Republic Day was marked with songs like 'Kandhe x Chale chalo', 'Mann Shudhha Tujhe' and 'Shoor Aamhi Sardaar', where the faculty and the students could feel the patriotic vibe. Just like Independence Day, Republic Day is an event which every club member looks forward to participating in.

4. Pratishruti

Pratishruti is a grand day, marking so many years of the largest cultural fest in Central India, the performance of The Music club is grand too. Evenings of Pratishruti are marked with random Bonfire jamming, setting the vibe for the events. Everyone around would join the bonfire and create a happy evening. The Cultural night of Pratishruti is commenced with melodious performances of The Music Club. The audience are amazed to hear wonderful music from the club and chant the lyrics with the song. New genres are experimented in the event, which help the musicians to explore and improve their skills in the musical domain.
