

SAEINDIA RCOEM COLLEGIATE CLUB

INTRODUCTION:

The SAEINDIA RCOEM Collegiate club was established in 2014. Since then, the club has been striving on the paths of success and glory with Exuberance, Passion and Determination. The club, abiding by its principles of Teamwork, Constructive Development and Reliability, has achieved many laurels and has ignited a new chapter in the history of the college. Dedicated Faculty advisors and Students work to the best of their abilities, competing at the national level Inter-Collegiate automobile competitions organised by the SAEINDIA.

Team Impulsifiers represented the college from the years 2014-2016.

After a gap of two years, the club was re-established in 2018 with a new zeal and enthusiasm that rejuvenated the club, making it alive by the force of fresh new spirits.

The new outfit was branded as Team Trident Racing, drawing it's inspiration from the Trident of Lord Shiva, signifying a more aggressive, dynamic and result defining approach.

In its debut year, the rookie team was the talk of the competition, after being applauded for their extraordinary performance ever seen by a new team in their first season in the history of the competition, replicating the same awe-struck performance the club had produced in its year of establishment.
