## Annual Report (2022-23)

### INTRODUCTION

Dance Club is one of the youngest and is one of the active clubs of the college which has been successful in attaining a strong base and foundation in the college. It was established in the year 2015 under the mentorship of Prof. Devishree Naidu who is the teacher-in-charge of the club. The club has been active in various cultural events conducted throughout the year in college such as Aaruni, Pratishruti, even events like NAAC, IEEE, Alumni Night as well. Apart from this, the club has been constantly performing on Republic Day and Independence Day. All the dance performances inside the college are looked after by Dance Club. The club also plays an important role in supporting the members for various competitions such as University Trials and other Youth fests held in various parts of the country. The club also participates in cultural fests such as Mood Indigo (IIT Bombay) and Spring Fest (IIT Kharagpur).

### EVENTS

#### 1. Independence Day

Every year, the club sets a level higher for themselves in terms of dance performance. Preparations start two weeks before, and our efforts showed in. Ranging from patriotic songs from newer films to older songs, the club covered all the essence of patriotism. The performers were in an attire of and white kurta, Chandra Tilak. The diverse songs help every dancer to improve their skills, as well as experiment with their dancing styles according to the songs. The performance was a mixture of different styles and started with Indian Classical which is our root. With a crisp of contemporary and Hip-Hop, the performers matched their Lazims with the beats of songs and lastly, ended through the Indian Bollywood style with 'Hindustani' song which gave a proud moment to all the Indians.

## 2. Aaruni

The Cultural Night marks the end of the Aaruni week. The newcomers in the club, the first years, get to perform for the first time. The freshers of the club give a wonderful performance and starts their journey in the club.

One of the most mesmerizing segments of the Cultural Night's performance was the blindfolded dance. This innovative and daring act showcased the new member's trust in each other and their ability to coordinate seamlessly without relying on their vision. The precision and synchronization they demonstrated while blindfolded were truly remarkable and left the audience in awe. The freshers didn't just showcase their dance skills; they also incorporated a thrilling action scene into their performance. Set to the heart-pounding beats of the song 'Raftaarein,' this segment displayed their versatility and creativity. The combination of dance and action sequences left the audience on the edge of their seats, and it was undoubtedly one of the standout moments of the evening. The new members concluded their performance with a vibrant and energetic South Indian style dance on the song 'Ranjithame.' This was a celebration of culture and diversity, as it beautifully depicted traditional South Indian dance elements. The costumes, graceful movements, and infectious enthusiasm of the performers had the entire audience clapping and cheering along.

The Dance Club made an unforgettable debut on the Cultural Night of Aaruni 2023.

### 3. Republic Day

This year's Republic Day was marked with a strong dance performance on songs like 'Aarambh Hai Prachand', 'Lakshya', 'Panga', 'Ek Zindagi', 'Toofan Aalaya' and 'Salaam India', where the faculty and the students could feel the patriotic vibe. Just like Independence Day, Republic Day is an event which every club member looks forward to participating in.

### 4. Pratishruti

Pratishruti 2023 is an extraordinary milestone, celebrating years of being Central India's most prominent cultural fest. At the heart of this grand event is the mesmerizing performance of The

Dance Club, which sets the stage on fire. As the Cultural night of Pratishruti unfolds, the audience is treated to a breathtaking spectacle of dance artistry.

The Dance Club's performances are nothing short of spectacular, leaving the crowd in awe. They skilfully blend different dance forms, creating a captivating journey through the world of dance. The evening begins with a classical fusion of Bharatanatyam and Kathak, showcasing the grace and tradition of Indian classical dance.

Next up is the energetic and vibrant Bhangra, infusing the atmosphere with infectious enthusiasm. The transition to Hip-hop brings a modern twist to the stage, with dynamic moves that get everyone grooving. The Contemporary segment pushes the boundaries of expression and creativity, leaving spectators spellbound.

But the grand finale of the event is what truly steals the show - a fusion of all these dance forms, a seamless amalgamation of tradition and innovation.
