PROJECT MODE (ONLINE/GROUND): GROUND

START DATE: 29/09/2021

END DATE: 29/09/2021

VENUE: IT DEPARTMENT , RCOEM CAMPUS

WAS PROJECT SONE IN COLLABORATION WITH ROTARY/GOVERNMENT BODY/OTHERS: ROTARY CLUB OF NAGPUR MIHAN TOWN

*On 29th September , Rotaract club of RCOEM with support of Rotary club of Nagpur Mihan Town organized health camps at 4 locations wherein blood sugar test , weight and Blood pressure were checked of each candidate . We also educated them about normal ranges of BP and Sugar and what home remedies they can do to prevent them from exceeding and also alerted some of them to consult doctors . We conducted around 487 test in 12 hours . We started at 6:00 Am and winded up at 6:00 Pm. This project was aimed to make people aware of their blood sugar if they never got it checked . We distributed our BOD and GB into 3 teams consisting 5-7 volunteers in each teams for testing done in park and gardens , we started testing at 6:30 and carried it till 9:00 .After winding up at park , all three teams gathered at college to conduct mega testing for 4 hours of each with support of Student's society of IT department.*
