

Day 1: Graduate Aptitude Test in Engineering – GATE

We organized the first session on **23rd December 2021** with Mr. Rohan Garg. He holds a Bachelors' degree in Electronics Engineering and is an alumnus of the Indian Institute of Management, Calcutta. Having teaching experience of more than 9 years, he has interacted with more than 1 lakh students. Since 2009, he has led various career seminars in over 300+ colleges. The speaker completed his international certification course in career counseling in 2017.

The main objective of setting up this session was to promote students to appear for GATE, discuss eligibility and specific skill set required to enroll for various programs offered by educational institutions like IITs and Public Service Undertakings. The speaker discussed paper patterns, resources, and material to refer to. Imparting lesser-known facts of the exams and perks after being selected in an esteemed institution made the session more fascinating.

Day 2: Common Admission Test (CAT)

Graduated from Shri Ramdeobaba College of Engineering and Management, in Electronics and communications Engineering in 2020, Miss. Nikita Warkar led our second session on **24th December 2021**. She is currently pursuing Masters in Business Administration from the Indian Institute of Management, Ahmedabad. With 99.45% percentile Miss. Warkar got selected in the best management institute of India in her first attempt.

This session was structured in a manner to improve aptitude and logical reasoning skills, break down the paper section-wise, and prepare aspirants and students to excel in their interviews. The importance of work experience and internship opportunities at various MNCs were discussed as well.

Day 3: Graduate record examinations (GRE)

Mr. Anubhav Seth led our third session on **26th December 2021**. He has more than 10 years of work experience in the field of technology, marketing, and product management and mentored over 500 students to secure admission in prestigious institutes and leading universities like Yale, King's College London, G-Tech, HEC Paris, ISB, USC and many more. He holds a Bachelor's of Electronics and Communication Engineering degree from Dehradun Institute of Technology and he's now working as National Head with Career Launcher.

During the session, he discussed the importance of GRE and IELTS scorecards while applying to abroad universities, the importance of publishing research papers and projects during under graduation. Apart from this, he discussed how to prepare for various sections like quantitative and verbal reasoning, and analytical writing.

Day 4: Civil Services Examinations (UPSC -CSE)

It was very proud moment for us when Mr. Neeraj Bansod agreed to led our fourth and last session on **27th December 2021**. He is 2008 batch IAS Officer of Chhattisgarh cadre and director of the Department of health and family welfare government of Chhattisgarh. Mr. Neeraj prioritized Chhattisgarh in Carde allocation over the origin Maharashtra. His work in hot bed of Naxalite sukma district is an example of his sheer determination to take

on head on challenges. He holds Bachelor's degree in Production engineering from Nagpur University. He has done splendid job as a C.E.O of Billaspur Zilla Panchayat. His deep understanding to solve problems of downtrodden section of society made the Govt. of Chhattisgarh appointed him as District Magistrate of Sukma.

The session commenced with his introduction and incident that inspired him to appear for the toughest exam. Following this he explained what life looks like after clearing the exam and achieving, hearing his motivating thoughts and inspiring words throughout the session was truly blissful. The way he delineated the preparation process, selection of optional subject and habits that one should develop during early stages in order to succeed in every aspect of life made the session stand out from the rest.

After each session, our speakers interacted with attendees to clear their doubts. Lastly wishing luck to all students and aspirants for their future we concluded the event.
