Description of Project in Detail

Rotary club of Nagpur Mihan town with Rotaract club of RCOEM , Rotaract club of PCE and Rotaract club of Nagpur United organized an eco-friendly Ganesh idol making workshop ahead of Ganesh Chaturthi festival . Wherein we arranged a trainer to assist participants to prepare clay idol step by step . We provided a kit consisting everything that needed for preparation to every participants . We had almost 50 participants and majority of them were young children . Also fellow Rotarians educated participants about ill-effects of PoP idols and importance of prepare idol ourselves from devotion POV
