

## TECHNICAL CLUB ACHIEVEMENTS

- **Techfest**

Techfest is the annual science and technology festival of Indian Institute of Technology Bombay. The students of Technical Club have participated in many competitions organized by Techfest and also have bagged prizes for the same.

- The students were able to be one of the top 10 finalists in Meshmerize competition, 2019.
- They were also one of the top 10 finalists in Drone Competition, 2019.
- Yet again, they secured 3rd position in Cosmo Clench competition, 2021.

- **Axis**

AXIS is the annual technical festival of VNIT, consisting of a gamut of events, guest lectures, workshops and exhibitions. Our students have left a mark in this event as well.

- Achieved 1st position in Electroblitz in 2018.
- They also have attained 1st position in Robowars, 2018.
- Again, they earned 3rd position in Autobot, 2018
- And again in 2020.

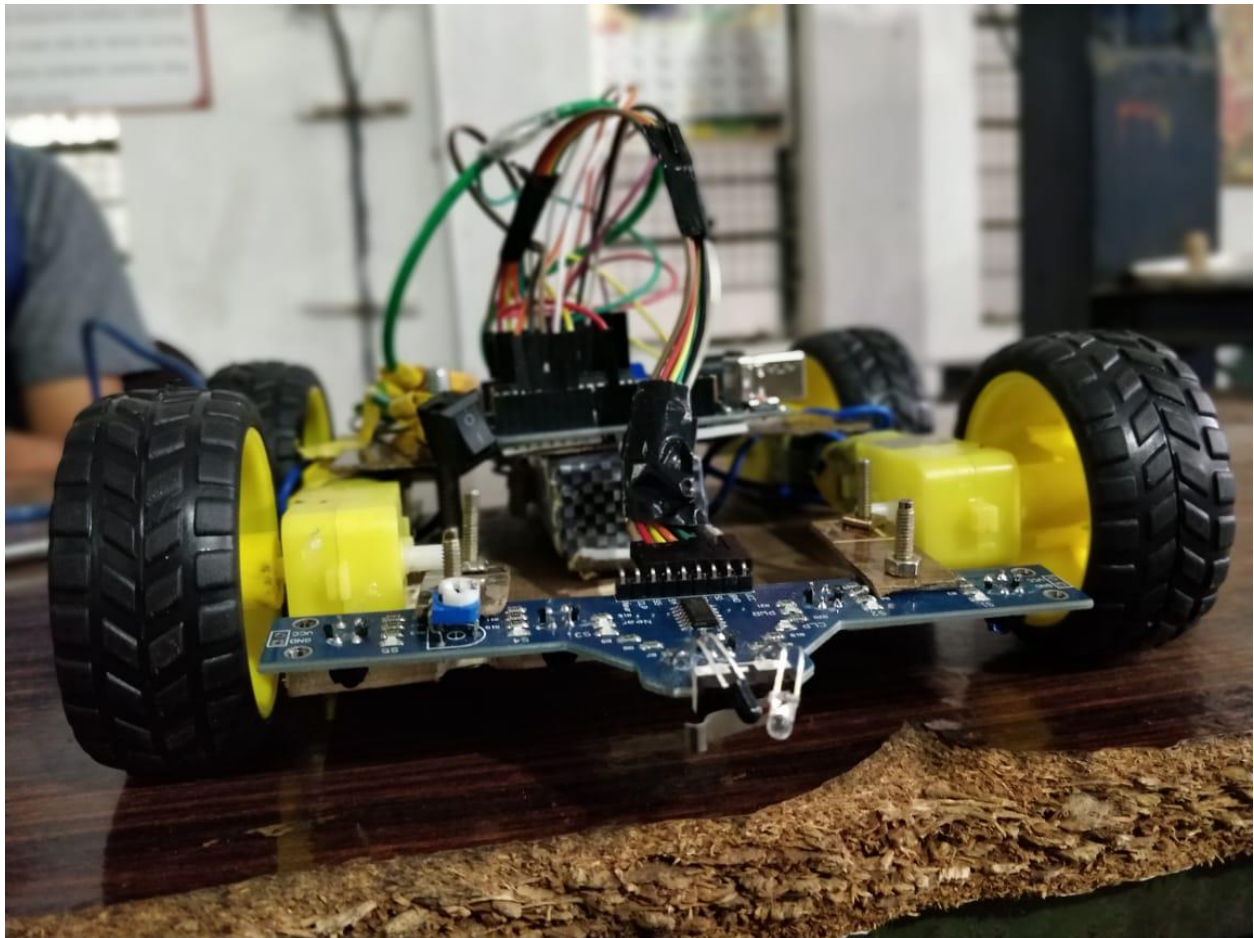

- **Techniche**

Techniche is the annual Techno-Management festival of Indian Institute of Technology (IIT), Guwahati.

- **Atmos**

ATMOS is the annual techno-management festival of BITS Pilani, Hyderabad Campus.

## RoboTech Club

The club was started in 2015 with an aim to fuel the awareness in the field of Robotics in our College, and make a mark of RCOEM in this field too.

The club consists of self-motivated students of almost all branches, who want to learn, share and grow with others in the field of Robotics. There is only one requirement for joining the club, i.e., INTEREST IN ROBOTICS.

We believe in a practical and interactive way of learning. Our club is divided into three committees: Teaching, Event and Social-Media, for the efficient and structured flow of the Club's activities. Intra-club, Inter-Club & Inter-College competitions are also conducted by the club for boosting up everyone's spirit.

The club carries out its activities through students coordinators who function under the supervision of the professor incharge of the club Prof. Prashant B. Shiwalkar.

## Project Exhibition:

Members work on a full semester project in groups which is displayed in an exhibition during the end of the academic session.

### Learning Sessions:

Conduction of teaching sessions for the members, which is followed by practicals.
