## DEPARTMENT OF HEALTH, PHYSICAL EDUCATION & SPORTS

## ANNUAL SPORTS REPORT

2018-19

व्यायामात् लभते स्वास्थ्य दीर्घायुष्यं बलं सुखं ।  
आरोग्यं परमं भाग्यमं स्वास्थ्यं सर्वार्थसाधनम् ॥

{ Which Means }

One who performs exercises on regular basis is blessed with health, long life and happiness. Being Healthy is a blessing; a healthy person easily performs all the activities.

## 1. Introduction

**“Welcome to the Department of Health, Physical Education and Sports.”**

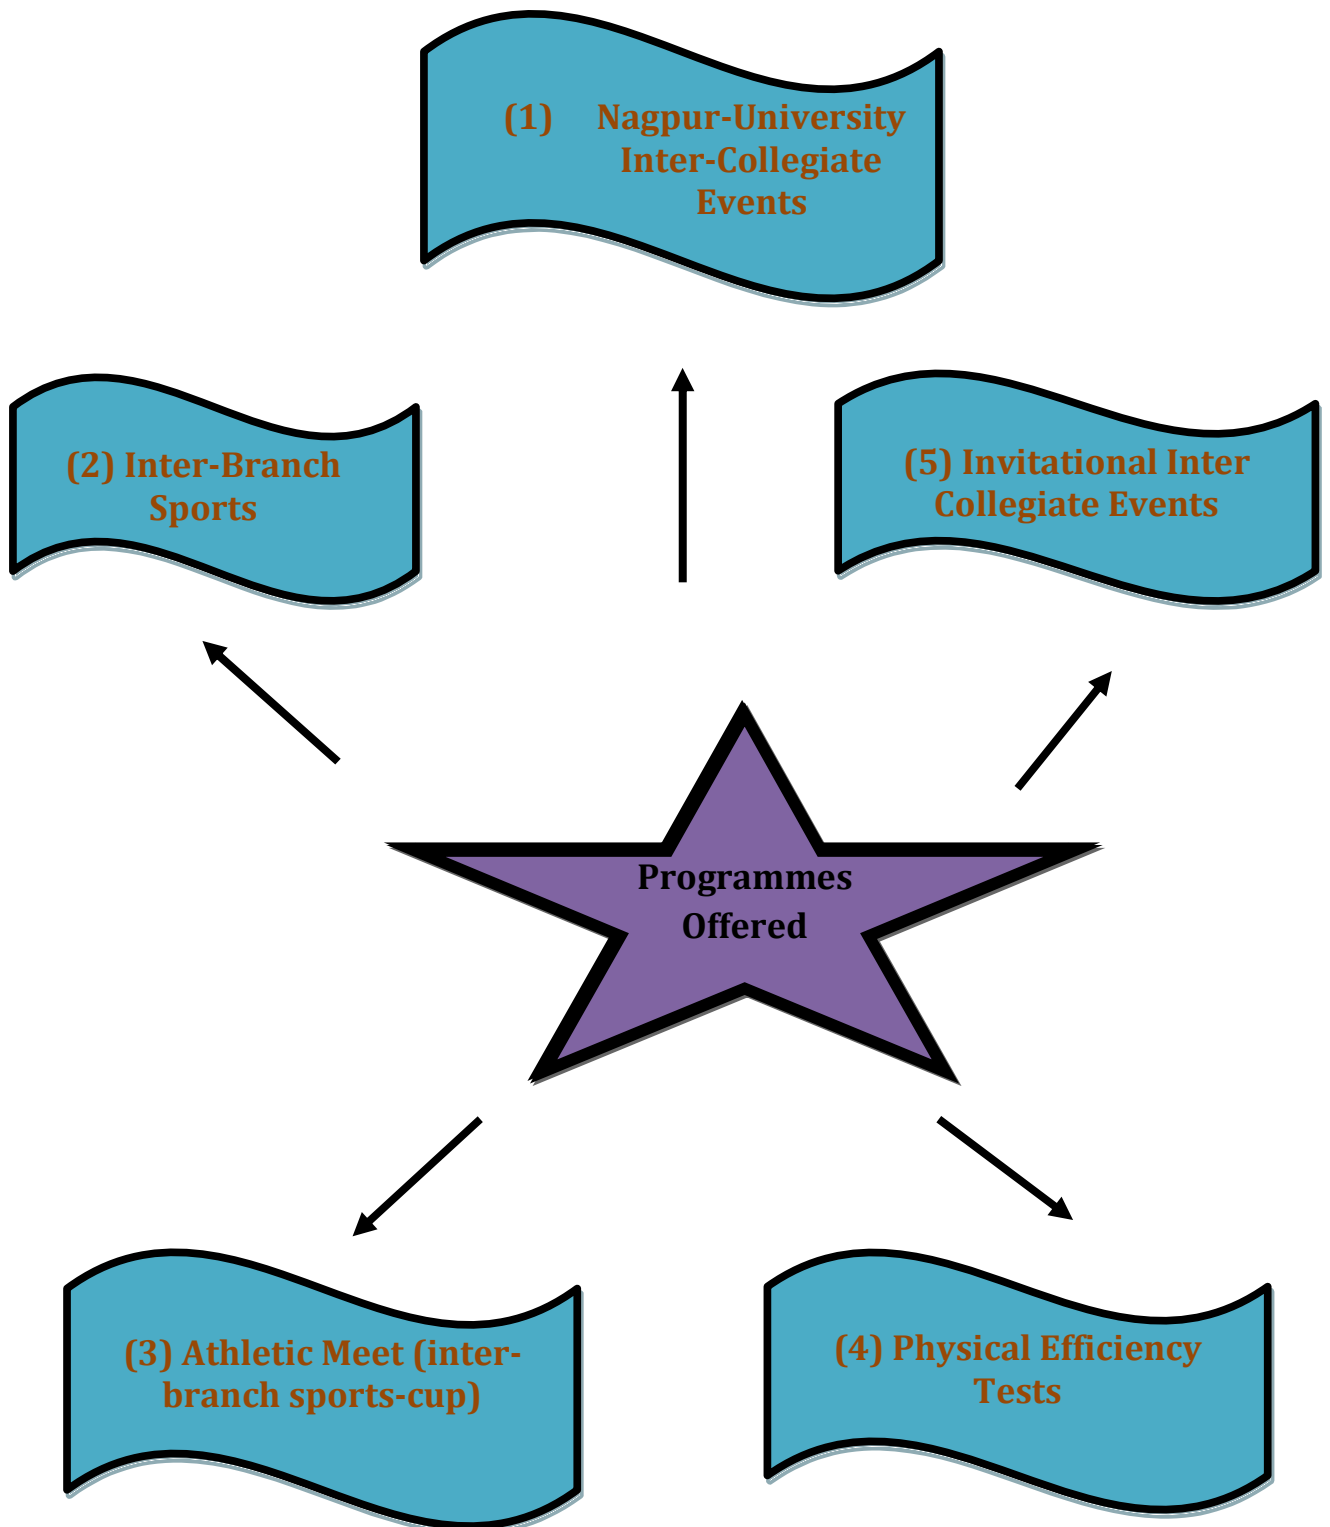

The Department was established in response to contribute our bit in the all round development of educating the students through health and physical education.

It has been well established that adolescents these days are facing serious health problems. Many factors have been identified as determinants, including unhealthy personal lifestyle, lack of physical exercises, and societal environments non-conducive to better health. We here are also devoting much effort in advancing health through improving student’s knowledge in the area of health related fitness, enhancing skills in managing and promoting personal health, as well as changing sedentary and unhealthy life styles into active and healthy living.

The department of Health, Physical Education & Sports is decorated with three qualified faculties.

**Sports Captains**

The first meeting of the entire sports body along with the secretaries was conducted on 28<sup>th</sup> of July, 2018. The Annual Sports calendar was discussed and some words of motivation were given by the respected concerned faculty in-charges to all the secretaries.

## 4. Annual Sports Calendar

The emphasis is on participation, not competition. Winning is not the primary goal but rather, the opportunity to exercise, develop leadership skills, experience camaraderie, meet new people, and learn a life-long activity, are the greatest rewards of intramural sports. For this, the Physical Education Department organizes tournaments of various games and sports according to the Annual Sports Calendar.

## 5. Intramurals (Inter-Branch Sports)

RCOEM understands that physical education encourages students to have holistic and active lifestyles and practice the arts of winning, losing, and teamwork. In other words, participating in physical education provides invaluable life skills. Intramurals allow students to develop psychomotor skills and fine-tune motor skills with coordination, movement, strength, dexterity, grace, and speed, and also find healthy outlets for energy. It promotes camaraderie and rapport among students, instructors, parents, and administration. In other words, sports build strong bonds within the community. Participating in Intramurals instill discipline among students. It provide a healthy pastime to help students refrain from various vices such as drugs, smoking, drinking, and spending excessive time on electronic devices. And hence, to promote more and more active participation, the Department of Physical Education & Sports organizes various inter-branch Sports tournaments.

## 6. Extramural (RTMNU Inter-Collegiate)

Allowing students to take part in team sports and extra-mural activities helps them become more conscious about the world. These extra-mural activities help with physical and mental stimulation which children need to develop and learn. RCOEM understands that children develop social skills the more they are exposed to different interest, and hence promotes the college team to participate in Rashtrasant Tukdoji Maharaj Nagpur University Inter-Collegiate Sports for various games and Sports. Like every year, this year also, the RCOEM Sports team participated in various games and Sports in RTMNU, Inter Collegiate Sports.
