LETTER FROM THE EDITOR

The first quarter of the calendar started with enthusiasm by Annual College fest, Pratishruti'24. This quarter gives training programs, new research projects, consultancies placement activities.

Departments has conducted Parent Meet, Alumni Meet, Webinars, Carrier guidance activities guest lectures etc. The faculty members participated in conferences, STTP's, FDP's and also had their research work published in international journals of repute.

Annual sports day (Udghosh 6.0) is organised by Physical education Department. Teaching and non-teaching members participated with great zeal and enthusiasm in RCOEM Annual sports day celebration.

National Youth Day is celebrated on the occasion of birth anniversary of Swami Vivekananda.

Overall, this quarter saw the college delivering and gearing up for the future.

It is well said by Swami Vivekananda, "True education is the harmonious development of the physical, the mental, and the spiritual powers. It prepares the student for the joyous and glorious responsibilities of life."

Happy Reading !!!

On the auspicious occasion of the Valedictory Function held on 25th February, the entire college community of Shri Ramdeobaba College of Engineering and Management came together to celebrate the achievements and success of our students. The event commenced with the warm welcome of our esteemed Chief Guest, Mr. Ritesh Garg, Chief Engineer Maha Metro, Nagpur by our Principal, Dr. R.S. Pande. Following the welcome, Ms. Anushka Khandelwal, the General Secretary of the Student Representative Council (SRC), presented the overall Pratishruti report, highlighting the various accomplishments and endeavors undertaken by the student body throughout the academic year. Mr. Rohan Kukreja, along with Ms. Khushi Kukreja, the Secretary and Joint Secretary of the National Service Scheme (NSS) respectively, shared an insightful overview of the NSS activities and contributions. Mr. Shivam Pawar and Ms. Devashree Ambegaokar, Sports Joint Secretary presented the overall sports report, showcasing the remarkable achievements and victories of our athletes in various competitions and tournaments.

The Dean of Students, Dr. Rashmi Shahu, then introduced the Chief Guest, highlighting his notable achievements and contributions to society. Dr. R.S. Pande felicitated the Chief Guest as a token of appreciation for gracing the occasion with his presence. In his address, Mr. Ritesh Garg shared inspiring words of wisdom, emphasizing the importance of perseverance, dedication, and integrity in achieving success. He commended the students for their hard work and encouraged them to continue striving for excellence in all their future endeavours.

Following the Chief Guest's address, the Students Representative Council received Letter of Appreciation for their outstanding leadership and commitment to the student body. The announcement of the Sports Cup, won by the Electronics and Communication department. Additionally, the Pratishruti awards were presented to deserving students for their exemplary performance and dedication. In the culmination of the event, the overall Branch Cup winner was announced, with Electronics and Communication Department emerging victorious, further igniting the spirit of camaraderie and competitiveness among the branches.

Industrial Visits :

During These 3 months a total of 4 site visits were organized by the department.

- Site visit was organized for IV and VI Semester B. Tech Civil Engineering Students on 19th January 2024 at Gorewada Water Treatment Plant, Nagpur. 3 faculty members accompanied the students along with the students.

Faculty members and B.Tech. Students with Site Engineer

- ii. The site visit at the "Construction site of G+5 Commercial Complex with post-tensioned slab, Jafar Nagar, Nagpur was organized on 24th January 2024." This visit was exclusively organized for II semester M. Tech Structural Engineering students and was accompanied by Dr. S. P. Siddh. Valuable insights regarding the construction of the commercial complex with post-tensioned slab were provided by the site engineer, Mr. Lekhram Choudhary.

Faculty member and M. Tech. Students with Site Engineer at Jafar Nagar Site

- iii. The site visit at the "Casting Yard of RTO to Wadi Flyover, T & T Infra Ltd." Khadgaon Nagpur was organized on 22nd of February 2024. This visit was organized for 13 M. Tech. students and was accompanied by Dr. S. P. Siddh. Valuable insights regarding the construction of the post-tensioned segments used in RTO to Wadi flyover were provided by the site engineer Mr. Noor Mohemmad. The aim of the visit was to supplement theoretical knowledge with real-world applications, enhancing the students' understanding and exposure to casting processes of prestressed concrete girder.

Faculty member and M. Tech. Students with Site Engineer at T & T Infra Ltd.

- iv. Industrial visit of First year B. Tech. Civil Engineering and First year M. Tech. Structural Engineering students was organized at M/S MANAS Agro Industries & Infrastructure Ltd. Nagpur on 16 February 2024. The students visited precast panel manufacturing unit and purti sugar factory located at Bela, Nagpur. Total 52 students along with 4 faculty members visited the industry.

Industrial Visits

The Department of Computer Science & Engineering had organized an industry visit to Infocepts Technologies Pvt. Ltd. On 21st March 2024. A total 30 students of IV semester alongwith 5 faculty members of CSE department visited the company premises in MIHAN, Nagpur. The participants started for the visit from the college campus by bus at 10:00 AM. The group reached the Infocepts office at around 10:45 AM after completing all the permission formalities. The visit started with an introductory address by Mr. Vaibhav Nagpure from the HR Department. He gave a brief information of the company background, service domains like data management, BI, work culture, recruitment process, annual package, perks of employee, office infrastructure. He also notably added that the company has been certified "The great place to work" organization. The visit was concluded by a small vote of thanks from Mr. Vaibhav Nagpure and the feedback forms were filled by the students. The faculties were asked to provide suggestions for the industrial visit. The photograph of the participants was clicked with the host team at the office entrance.

Consultancy or any other projects undertaken

Department of Computer Science and Engineering have completed the technical and functional consultancy by designing and developing software for Western Coalfields Limited, Nagpur. The Computer Aptitude Test was conducted on 04-Feb-2024 and 03-March-2024 in the CSE department for the WCL employees. Dr. M. B. Chandak was the Principal Coordinator for the technical and functional consultancy.

Departmental Events

Parents Meet

Parent-Teacher Meet was conducted on 9th March, 2024 at the Department of Computer Science & Engineering, at 10.00 AM for IV and VI Semester CSE. The meeting was commenced by the Head of Department, Dr. R. Hablani. The Head of the Department interacted with the parents and students and discussed the student's achievements which includes prominent achievements of CSE students, results, placement activities, internships and elevated alumni positions during the meeting. He also discussed the Competitive Programming Training Initiative; a cutting-edge program designed 300-hour for 2nd Year and 72 hours for 3rd year students. He also suggested various solutions to student's queries for improving their performance.

The parents were given the general observation about their ward's performance in the Internal Tests by class in-charge and course coordinators. They were also given their opinion about a competitive training programme. The parents filled the feedback form and also suggested various ways of improvement.

Polaris- A National Level Technical Festival

(l-to-r) Dr. M. B. Chandak delivering the presidential address with Dr. Vasundhara Rathod, Mr. Amit Kale, Dr. Ramchand Hablani, Mr. Kush Munot on the dais

Polaris'24, the five-day annual intercollegiate techno-cultural festival hosted by Compusys, the student society of Department of Computer Science and Engineering at Shri Ramdeobaba College of Engineering and Management, Nagpur, took place from 29th January to 3rd February, 2024. The event was inaugurated on 3rd February by Chief Guest Mr. Amit Kale, Associate Vice President at Global Logic Pvt. Ltd. in the presence of Dr. M. B. Chandak, Dean Academics, RCOEM, Dr. Ramchand Hablani, HOD CSE, Dr. Vasundhara Rathod, Incharge, Polaris'24, faculties and participants. The Chief guest shared valuable

insights with students about six essential C's: Communication, Commitment, Consistency, Collaboration, Customer Centricity, and Curiosity. The dignitaries addressed the students by motivating them to participate in technical as well as extra-curricular activities. The inaugural concluded with a prize distribution ceremony of various activities being conducted under the aegis of the Compusys-CSE student forum professional chapters namely ACM chapter, BRC chapter, Google DSC Club and GeeksForGeeks Club. The fest concluded with a high-spirited cultural evening on 3rd February 2024. Details of event as follows :

GDSC Dexter's Laboratory

Google Developer Student Club (GDSC), RCOEM organized an event "Dexter's Laboratory" as a part of Polaris 2024, addressing aptitude test and coding challenges on 29th January, 2024. The event aimed to engage participants in various activities, including prompt engineering, coding challenges, and aptitude tests, inspired by the famous animated series, Dexter's Laboratory. With different rounds and challenges, the event promised fun and intellectual stimulation for all involved. A total of 112 students participated in the event.

Participants during the event

GFG Geek Venture Hunt

Geek For Geeks RCOEM chapter organized " Geek Venture Hunt " as a part of Polaris 2024, on 31st January, 2024. The participants were greeted with a captivating introduction for an engaging day ahead. From the mysterious Treasure Hunt to the strategic complexities of Capture the Flag (CTF) and Blind Coding, participants were immersed in a whirlwind of challenges. Each round tested their skills and resilience, pushing them to new heights of creativity and collaboration. A total of 105 students participated in the event.

Participants during the event

BRC Cryptopoly

Cryptopoly, an innovative event that took place on January 30, 2024, marked a groundbreaking fusion of traditional board gaming and cutting-edge blockchain technology. This unique experience brought together enthusiasts, gamers, and blockchain admirers to participate in a modern rendition of the classic Monopoly game. Hosted under the banner of "Polaris" by the Blockchain Club RCOEM, the event aimed to showcase the potential of blockchain in revolutionizing the emerging technology.

The event served as a platform for participants to engage in a Monopoly game where the traditional paper money and property deeds were replaced with blockchain-based assets. The game leveraged the transparency, security, and decentralization features of blockchain technology to enhance the overall gaming experience. Players had the opportunity to navigate through a game board on which the property deeds were based on cryptocurrencies, quiz questions based on Blockchain and Solidity and fun team tasks. Each team was awarded with certain points based on their respective gameplay. In the end all the attendees were awarded with Blockchain goodies.

Compusys Cultural Night

The Polaris Cultural Night, organized by Compusys, was a grand event held on February 3rd, 2024, showcasing the rich cultural heritage within our Computer Science Department. The event aimed to promote cultural understanding, inclusivity, and appreciation for diversity. The venue was adorned with exquisite decorations, artifacts, and thematic backdrops, creating an immersive ambience for the performances.

The festivities commenced with a mesmerizing performance by the students of the Computer Science and Engineering Department, featuring group and solo dances, musical performances, beatboxing, and a fashion show. Their repertoire included a medley of popular songs, spanning contemporary hits to timeless classics, showcasing their versatility and musical prowess. The Bollywood-themed fashion show was a highlight of the evening. The Polaris Cultural Night was a resounding success, fostering cultural appreciation and unity within our department. It served as a testament to the diversity and talent of our students, leaving a lasting impression of splendor and sophistication. 57 students participated in the event and the cultural night was attended by 211 students.

Performances by the students of CSE

Chapter Events GDSC FlutterVerse

On 17th January, 2024, the GDSC RCOEM chapter organized an engaging event titled "FlutterVerse - The Chronicles of Flutter." The event aimed to delve into the essentials of Flutter and guide participants in crafting exciting portfolios. The event commenced with Ms. Jaya Singh, the GDSC Lead, providing valuable insights about the chapter and sharing key points regarding the Google Solution Challenge 2024. This introduction created a backdrop for the main event, generating enthusiasm among the participants. During the hands-on session, participants had the opportunity to build their personalized portfolios. This practical exercise not only allowed them to apply the concepts learned but also provided valuable insights into mobile app development. The step-by-step guidance ensured that even those new to Flutter could actively participate and gain a deeper understanding of the platform. A total of 154 students were benefited by the workshop.

Participants during the event- Flutter Verse (A workshop on Flutter)

GDSC WebWiz2.0

Google Developers Students Club, RCOEM chapter organized WebWiz 2.0, a week-long workshop with hands-on sessions (27/03/2024 to 03/02/2024) aimed at providing participants with an immersive experience in web development. Participants were paired with mentors, ensuring personalized guidance throughout the event. To cater to varying levels of expertise, participants were categorized based on their prior knowledge. Those with previous experience were provided targeted instruction on advanced topics such as Next.js and Tailwind CSS, allowing them to deepen their understanding and skills in specific areas of web development. A total of 100 students participated in the workshop. The workshop was followed by WebCraft: The Website Making Competition at Web Wizards 2.0!

Participants during the event- WebWiz2.0 (A workshop on Web development and website making competition)

Blockchain RCOEM Chapter “WEB3UTSAV” and “CONNECT VERSE”

The Blockchain RCOEM Chapter hosted its event on 7th February 2024 at Classroom 301, Digital Tower, Nagpur, which was attended by 150+ members. The event aimed to introduce blockchain technology, its basics, and Web-3 Applications to students and explore its potential applications and the trend of centralized domains heading towards a Decentralized Domain.

The session consisted of two parts where the first part delivered the theoretical aspects of Blockchain Basics. The second part involved a hands-on session, showcasing how to use MetaMask Wallet and the Connect Verse Platform apps.

Our other guest, Shubham Tiwari working for a Web-3 based Company, took the stage where he discussed emerging blockchain-based technologies and how the centralized domain is moving towards a more connected blockchain universe, highlighting the challenges faced by centralized apps and domains.

Conference, STTP and Guest Lectures organized in the Department.

Guest Lectures organized in the Department :

Guest Lecture on 'Web3 and Blockchain'

Date and Time of Event: 27/1/2024, 11:00 AM.

Name of Speaker: Ms. Anshita Soni, Growth Manager, CapX

Name of Faculty In-Charge: Prof. Rohit Pawar

Introduction : The Shri Ramdeobaba College of Engineering and Management was abuzz with excitement as it hosted a captivating lecture on 'Web3 and Blockchain' delivered by Anshita Soni, a dynamic growth manager at Capx, with a remarkable journey in the tech industry despite her young age. The event, which took place on 27/01/2024, drew in a diverse audience ranging from students to faculty members, all eager to delve into the realm of Web3 and blockchain technology.

Anshita Soni, a 21-year-old professional with a plethora of experiences in various domains including content creation, community management, and business development, began her lecture by sharing her personal journey. From humble beginnings as a curious teenager with a tech app idea during the COVID-19 lockdown, she narrated how her journey unfolded into a remarkable professional trajectory filled with learning, experimentation, and success.

2. REPORT ON INTERACTION SESSION

Date and Time of Event : 30-12-2023

Name of Faculty In-Charge : Prof. Rohit Pawar

Overview : An interactive session between seniors (VIII Semester) and juniors (VI Semester) of CSE(DS) branch, was organized with the aim of guiding juniors in preparation for upcoming campus placements. The session, held on 30-12-2023, provided a platform for seniors to share their experiences, insights, and tips to help juniors navigate the challenges of the recruitment process and excel in their career endeavours.

Key Highlights :

1. Experience Sharing :
2. Guidance on Resume Building :
3. Interview Preparation :
4. Technical Skills Enhancement :
5. Soft Skills Development :

3. REPORT ON GUEST LECTURE SESSION GUIDANCE ON CAREER AND HIGHER STUDIES

Date and Time of Event : 23-01-2024, 3:00-4:00PM.

Name of Faculty In-Charge : Prof. Rohit Pawar

Event Description : Mr. Parikshit Pawde, an alumnus from the 2020 Computer Science batch, is pursuing a Master's degree from Virginia Tech University, Blacksburg. He guided us through his experiences and motivated the students for future opportunities. The key takeaways were : Placements Within the College: His personal experiences and strategies for securing placements. Informed about the impactful LinkedIn profile that stands out to potential employers. Gained practical tips on tailoring resumes to specific job applications. Discovered the relevance of platforms like Neetcode, Codechef, and Leetcode for technical interviews and coding assessments. Masters in the US: Strategies for Success: Gained insights into the process of pursuing a Master's in the US. Received guidance on preparing for standardized tests like the GRE and GMAT. Explored various platforms and resources for effective test preparation.

4. REPORT ON GUEST LECTURE SESSION

Date and Time of Event : 22-03-2024, 3:00-4:00PM.

Name of Faculty In-Charge : Prof. Rohit Pawar.

Session : Career Guidance Session by Mr. Mayur Pathak, Sales Director - BFSI , Wipro.

On 22nd March 2024, the Department of Data Science at Shri Ramdeobaba College of Engineering and Management (RCOEM), Nagpur., organized a special career guidance and counselling session for its VIth semester students. The session was conducted by Mr. Mayur Pathak, a renowned cybersecurity business leader and Director & Client Engagement Partner at Wipro.

FDP organized by the Department

ON FDP “ ONLINE Machine Learning with Python “

Faculty Development Program - Machine Learning with Python

Date and Time of Event : 15.01.2024 to 19.01.2024 at 6.00 pm to 8.00 pm

Name of Speaker : Mr. Archit Verma. from IIT Kanpur.

Name of Faculty In-Charge : Prof. Aarti Karandikar, Prof. Priya Khobragade, Dr. Supriya Gupta, Pro.Ashwini Zadgaonkar, Prof. Shruti Nair

Introduction : Mr. Archit Verma (Trainer) from IIT Kanpur. Archit Verma, our esteemed AI and Block Chain Subject Matter Expert, stands as an eminent figure of diverse expertise and extensive experience across varied technical domains. His broad skill set encompasses a spectrum of programming languages, notably C, C++, Python, Vyper, Go, R, Lua, and Shell (bash), complemented by comprehensive proficiency in Data Analysis, Data Science, Machine Learning, Deep Learning, Reinforcement Learning, Blockchain, Internet of Things, and Business Intelligence Tools such as Tableau and Power BI.

Objective : The main objectives of the FDP were:

1. Faculties and students learn the concept, syntax, semantics and gain introductory knowledge in Machine Learning principles through examples that provide useful exposure to the various concepts of Machine Learning
2. The programme is designed to enhance the learning and research skills of the participants, to make them aware about modern analytical tools and methodologies. It provides an opportunity to acquire knowledge about current technological developments in relevant fields. The programme mainly focuses on Machine Learning algorithms and their applications with a practical approach.

Outcomes of the Faculty Development Programme :

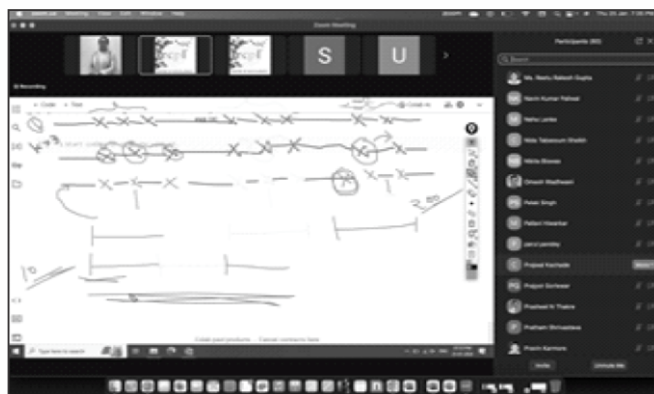

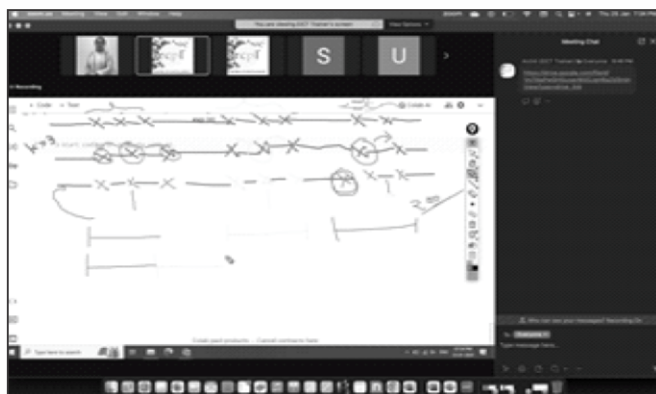

1. The participants would gain experience of how to work with data science, graph and social media analytics, as they may work with case studies related to them.
2. To gain more knowledge between structured and unstructured databases.
3. Exposing the participants to the fundamentals of Machine learning and its application using Python.
4. Enhance the research competence of faculty and researchers in the areas of machine learning

Contents of the Programme :

1. Machine Learning-Introduction
2. Machine Learning-Fundamental
3. Python-Basics
4. Core Concepts of Python (Required for ML Practical Implementation)
5. Steps of Machine Learning Implementations
6. Data Collection for Machine Learning
7. Data Visualization for Machine Learning using Matplotlib
8. Practical implementation of Supervised Machine Learning Algorithm
9. Practical implementation of Unsupervised Machine Learning Algorithm

Conclusion : The FDP by Mr. Archit Verma proved to be an enriching experience, providing faculty members with valuable insights into effective interaction strategies and the judicious use of python tools and technologies. The practical approach and real-world examples shared by the speaker added significant value to the overall learning experience.

Total 80 faculties participated in FDP from different colleges of india. attendance was monitored on daily basis. By the end of last day of FDP IITK conducted exam on hole session and those who are clear with exam only those will get certificate.

4. Placement and Internship from T&P

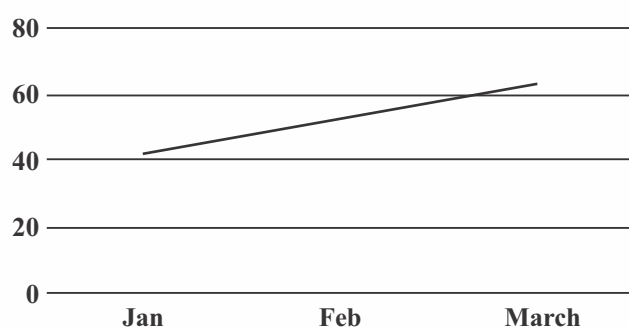

Placement : Placement: 65% (44 out of 68)

Internship : 92%

Faculty Ph D Awarded

Prof. Durgesh M. Sharma

Prof. Durgesh M. Sharma, computer Science and Engineering – AIML has been awarded Ph. D by Vellore Institute of Technology (VIT) under School of Computing Science and Engineering discipline on 5th January 2024. His research topic was “Advanced Fault Classification and Privacy for Resilient Cyber-Physical Systems.” He completed his research work under the guidance of Dr. Shishir Kumar Shandilya, Associate Professor, School of Data Science and Forecasting, Devi Ahilya Vishwavidyalaya (State Govt.), Indore, Madhya Pradesh.

Guest Lectures/ Training Programs conducted by faculty

Dr. Suresh Balpande delivered hands-on training on “Industrial Internet of things based Automation” at Elkem South Asia Pvt. Ltd, Hingna MIDC, Nagpur on 30 January 2024. He also worked as a reviewer for science Direct for SCI indexed ELSEVIER International journal, Science of the Total Environment (STOTEN) with Impact factor: 9.8 in Febuary & March 2024. He also reviewed SCI indexed International Journal on "Nature Scientific Reports" in Febuary. He reviewed SCI indexed IEEE Sensors Journal (Impact factor: 4.3) in March 2024.

Dr. Nisarg Gandhewar has delivered expert lecture on ‘AICTE Sponsored One Week Faculty Development Program on "Machine Learning, Deep Learning, and Challenges in Data Analytics."’ at Priyadarshini J.L. College of Engineering, Nandanwan Nagpur on 11th January 2024. Dr. Amit Pimpalkar invited as a Judge for the XX-National Conference on Emerging Trends in Engineering & Technology - SPARK2024, on March 15, 2024. K.D. K. College of Engineering, Nagpur an Autonomous Institute accredited by NACC & NBA, organized the conference. He was also invited as a Judge for the project competition BrainWaves-2k24, on March 22, 2024. The project competition was organised by J. D. College of Engineering & Management, Nagpur.

Dr. Chitharaja Rajan delivered guest lecture on “Programming on Problem Solving” at Cummins College of Engineering for Women, Nagpur on 30th March 2024. Dr. Chitharaja Rajan and Dr. Bhumika Neole conducted one month “IoT Hands- on” training in CIIT for Shri Ramdeobaba College of Engineering and Management (RCOEM), students from September to October 2023. Students understood IoT concepts and had rigorous practise on IoT Trainer Kit available. in centre. Finally, certificates have been distributed to participants on 1st February 2024.

STTP/FDP/other Training Attended by Faculty

Dr. Chitharaja Rajan, Prof. Deepa Das, and Prof. Neha Lanke attended FDP on Machine Learning with Python organized by IIT Kharagpur from 18th to 24th January 2024.

Dr. Chitharaja Rajan attended Faculty Development Program on Advanced Semiconductor Devices organized by PDPM-IIITDM Jabalpur from 29th January to 2nd February 2024.

Prof. Deepa Das, and Prof. Kiran Khandare attended FDP on High Performance Computing organized by IIIT Nagpur from 10th to 16th January 2024. Prof. Deepa Das also attended FDP on Role of ICT for successful Implementation of NEP 2020 organized by IIT Roorkee from 2nd to 9th January 2024.

Dr. Suresh Balpande, Prof. Deepa Das, and Prof. Neha Lanke attended Six Days National Level F D P on Disruptive Technologies in Electronics Engineering organized by Satyabhama Institute of Science & Technology, India in association with IIT Madras from 8th to 13th January 2024.

Dr. Amit Pimpalkar attended and presented a paper in IEEE International Students' Conference on Electrical, Electronics and Computer Sciences (SCEECS) organized by MANIT, Bhopal, India on 24th and 25th February 2024.

Dr. Y. N. Thakre attended and presented a paper in 2nd IEEE International Conference on Interdisciplinary Approaches in Technology and Management for Social Innovation (IATMSI) organized by ABV-IIITM Gwalior from 14th to 16th March 2024. He also attended International Conference on Cognitive, Green and Ubiquitous Computing (IC-CGU-2024) organized by C. V. Raman Global University Bidyanagar, Bhubaneswar, Odisha on 1st and 2nd March 2024. He also attended Two Weeks Short Term Training Programme on

"Fundamental of Machine Learning" organized by NATIONAL INSTITUTE OF TECHNICAL TEACHERS' TRAINING AND RESEARCH, KOLKATA from 11th to 15th March 2024.

Dr. Suresh Balpande attended and presented a paper in 2nd International conference on "Advances in Smart Sensor, Signal Processing and Communication Technology (ICASSCT2024)", Goa University, Goa organized by School of Physical and Applied Sciences, Goa University, Goa from 22-23 March 2024.

Dr. Suresh Balpande attended and presented a paper in IEEE EDS Mini-Colloquium & International Conference on Micro/Nanoelectronics Devices, Circuits, and Systems (MNDCS-2024) organized by NIT, Silchar from 29-31 January 2024.

Dr. Nisarg Gandhewar attended ATAL FDP on Generative AI & It's Applications organized by G. H. RAISONI INSTITUTE OF ENGINEERING & TECHNOLOGY Nagpur from 5th to 10th February 2024.

Prof. Pranali Dandekar attended and presented a paper in 2nd IEEE International

Conference on Computer, Communication, and Control organized by Medi-Caps University, Indore from 8th to 10th Feb 2024. She also attended International Conference on Advanced Communication, Energy and Big Data (ICACEBD-24) organized by GHRIET Nagpur from 15th and 16th March 2024.

Prof. Pranali Dandekar has also attended and presented a paper in IEEE International Students' Conference on Electrical, Electronics and Computer Sciences (SCEECS) organized by MANIT, Bhopal, India on 24th and 25th February 2024.

Dr. Yogesh N. Thakre and Prof. Deepa Das attended Two Weeks Faculty Development Programme / Short Term Training Programme on "Advanced Pedagogy" organized by NATIONAL INSTITUTE OF TECHNICAL TEACHERS' TRAINING AND RESEARCH, KOLKATA from 15th January to 26th January 2024.

Departmental Activities

Guest Lectures Organized in the Department

An expert lecture on "Entrepreneurial Empowerment: Strengthening Your Profile for Success" has been organized for VI th Semester students on 20th January 2024. The speaker for the guest lecture was Mr. Vedant Khairnar, Developer Advocate, Juspay, Bengaluru.

Dr Manmath Deshpande, Head Aptitude Development Center Nagpur delivered expert lecture on “Unlocking Aptitude: Strategies for Skill Enhancement and Success” for Vith Semester students. The lecture was organized on 17/02/24 & 02/03/24.

An expert lecture on Opportunities & Challenges for emerging computing trends has been organized for Vith semester students on 20th February 2024. The speaker for the lecture was Mr Dhiraj Motghare, Director Global Logic, Nagpur & Dr Rizwan Ahmed Division Head, Digital Innovation DelaPlex Nagpur.

Mr. Mayur Pathak, Director, BFSI Sales, Wipro Mumbai delivered expert talk on “Strategic Soft Skills: Enhancing Interview Performance and Career Trajectory” for Vith semester students on 23rd March 2024.

Parents Meet

The Parent’s Meet for the IVth and VIth Semester, Session 2023-24 was conducted on 9th March 2024. Parents interacted with Dr. S. S. Balpande HOD, CSE-AIML and Faculty members. They discussed results, placement activities, internships, and prominent achievements of CSE-AIML students.

Departmental Forum Activities

The Altronix (AIML Departmental Forum) successfully organized “Xpression”- the much-anticipated departmental event. Various activities including sports day, fun activities, technical event, and cultural night was organized between 21st January 2024 to 27th January 2024. The inaugural ceremony was held on 24th January 2024 at 10 AM.

Glimpses of Xpression- 2024 Inaugral ceremony

Following the inaugural ceremony, the ALTRONIX committee organized a captivating guest lecture on “Recent Trends and Job Opportunities in Cloud Computing.” The esteemed speaker of the session was Mr. Somail Deshmukh, a senior Technical Specialist with TCS.

Mr. Sahil Deshmukh delivering guest lecture

The Altronix (AIML Departmental Forum) successfully organized “Sports Day” for students of 2nd, 3rd, and 4th year on 21st January 2024. Various sports events including Volleyball, Basketball, Chess, Table tennis, and Tug of war were conducted. The winners from each section demonstrated not only their athletic prowess but also the spirit of teamwork and determination

Industrial Visits

A visit to Hi-Tech Resistor Pvt. Ltd ,MIDC Hingna, Nagpur was conducted on 17th February 2024, with 39 students of 2nd year, Sec-A EC along with Dr. B. A. Neole, Dr. P. P. Deshpande Dr. A. P. Nilawar, Prof. V S Lande faculty members of EC.

The second round of industrial visit to Hi-Tech Resistor Pvt. Ltd ,MIDC Hingna, Nagpur was held on 23rd March 2024, with 48 students of 2nd year, Sec-B EC along with Dr. D G Khushalani, Dr. J D Kene, Prof. Ms S Barman, Prof. V S Lande faculty members of EC.

Parents Meet

Department of Electronics and Communication Engineering organized a Parent-Teacher Meeting for the session 2023-24 (IV and VI Semester) on 9th March 2024. Parent-Teacher Meeting coordinator Dr. A.H. Harkare welcomed the parents and emphasized on the need of developing an enhanced communication between parents and faculty to serve as a bridge in fulfilling expectation of parents and students especially during this online mode of teaching. Dr. D. J. Dahigaonkar addressed the gathering conversing about the various curricular and extracurricular activities conducted by the department before and during this online mode of teaching. He especially addressed the parents about the support mechanisms and activities carried

out to fulfill overall development of the students. A brief review of academic activities, teaching learning process and PO, PSO mapping was also discussed. Moreover a brief review of the various activities and schemes offering support to students for ensuring student progress in academics, placements formed a segment of this discussion by department portfolio incharges. The schemes offering counselling to students were also discussed. Parents were also made aware about the academic and exam rules, guidelines and detention rules. T1 performance of students was discussed and special attention needs to be paid on the attendance of students was conveyed to parents.

The enthusiastic parents showed keen interest in the meeting. Parents disclosed their satisfaction regarding the culture and atmosphere prevailing in the department and talked about their queries related to the academics and personal growth of their ward. The parents assured students performance will improve in upcoming examinations.

Lectures organized in Department

Value Added Course (VAC) on "Essential Soft Skills for Academic and Career Excellence"

The Department of Electronics and Communication Engineering organized under **Faculty Coordinators:** Prof. Puja S. Agrawal and Prof. Nitin B. Chakole a **Value Added Course (VAC) on "Essential Soft Skills for Academic and Career Excellence" from 18th to 23rd March 2024 (6 Days)**. With **132 registered students**, the course aimed to equip IV-semester students with crucial soft skills for their academic and career journeys. **External trainers Mrs. Lekha Thakkar and Mr. Vaibhav Dhandare from Rubicon Foundation, Pune**, guided students through a comprehensive curriculum covering communication, time management, leadership, and professional etiquette. The interactive sessions focused on real-world applicability, industry expectations, grooming, body language, and email etiquette.

A valedictory function recognized the dedication of students, with certificates awarded to **119 who successfully completed the course**. Special thanks to Barclays Bank PLC's Life Skills Program for their support under Corporate Social Responsibility.

Student Achievements

1. A Moment of Pride for RCOEM, Our students Ms. Arya Dongre (ECE 3 rd year) & team won silver medal on behalf of RTMNU Basketball Team at Ashwamedh krida mahotsav2024(Maharashtra state university meet) held at Nagpur university ground, Ravi Nagar during 12-16 January 2024.

2. Sana Ansari, ECE 2nd year and Palak Agrawal, AIML First Year bagged the 2nd position and Cash prize at Dr. M.K Umathe College Inter-Collegiate Debate Competition on 17th Jan 2024.

Branch Cup

Branch Cup is the intra-College competition held between all the branches of the college. These competitions include sports , drama , dance and more such categories.

The students of ECE department participated with full enthusiasm and made it to the top of the leader board, culminating in a resounding victory and reaffirming their status as champions of the Branch Cup for yet another year.

The Trophies won were :

1. Sports Cup (Overall)
2. Sports Cup (Boys)
3. Sports Cup (Girls)
4. Drama Cup

Other activity (s) :

1. Dr. S. B. Pokle invited as a Reviewer for International Journal “Automatika: Journal for Control, Measurement, Electronics, Computing and Communications” Indexing” SCI, Submitted 01 research Paper review on 25 January 2024.
2. Dr. S. B. Pokle Invited as a Subject Expert on UGC selection committee appointed by RTM Nagpur University for recruitment of Associate Professor, Assistant Professor in ETC dept. at Jhulelal Institute of Technology, Nagpur on 1st February 2024.
3. Prof. Nishant M. Borkar, Mr. Tanmay Rewari, S. Balakumar, Mohit Deshpande and Tanmay Chobe have been granted a patent on “A SYSTEM FOR REMOTE ECG MONITORING OF A PATIENT” on 11th March, 2024.

Parents Meet, Alumni Meet and Departmental Installations or Events

Parent-Teacher Meet (Even Semester, Session 2023-24)

The Parent-teacher meet was organized on 09th March 2024 (Saturday) at 11.00 am in Electrical Department Library. Dr. V. A Huchche, PTM Coordinator welcomed all parents and shared the details about student attendance in the class and their performance in the ClassTest-1 with parents. Total six parents attended the meet. During the meeting, Prof. M. B. Gaikwad class teachers of IV semester and Dr. P. V. Kapoor, class teachers of VI semester discussed about the attendance and performance of the students with the parents. Course coordinators and faculty members were present in the meet.

Head of the Department, Dr. U. B. Mujumdar and Professor, Dr. S. B. Bodkhe, discussed about progress of students and addressed the queries of parents.

Alumni Meet

The Department has organized a series of online interactive sessions by the alumni “Meet your Illustrious alumni” whereby they discuss their experiences in the industry and their post-college roadmap. As a first mentor, 1998 batch alumnus, Mr. Amit Rahalkar, Senior Technical Program Manager, Amazon Payment Products, Cary, North Carolina, USA graced his presence on 15th February 2024. In his session, Mr. Amit discussed a wide range of topics, including perspectives on partnerships. He also discussed the approach, college students should adopt while making career decisions. Given his background in finance, he also conveyed knowledge on banking, investing, and money management.

Extension Activity

The students of Electrical Engineering department organized a joint extension activity at Zilla Parishad School, Village: Fetri, Nagpur on 23rd March 2024 under the aegis of IEEE St. Jt. Chapter (PELS) and Electrical Engineering Students' Association (EESA). The office bearers of IEEE Jt. Chapter introduced to the primary and secondary school students, the importance of electrical safety and conservation and simple measures that can be implemented by them and their families. Related videos and animations were also shown to the children.

The office bearers of EESA informed them a few techniques of self-defence and distinction between good touch and bad touch by others. Finally, goodies were distributed to all children. This event was coordinated by Dr. Vijaya Huchche and Dr. Gaurav Goyal. The headmistress of the school Mrs. Anita Dhoke and her staff welcomed the visiting team and extended full cooperation. Dr. Sanjay Bodkhe and I/C HoD Dr. U. B. Mujumdar congratulated the organizers and encouraged them to take up more extension activities for the benefit of the society.

Electrical Premier League (EPL) - 2024

The Electrical Premier League (EPL) 3.0, a thrilling box cricket league tournament organized by the Electrical Engineering Student Association (EESA), electrified on the 29th and 30th of March. This eagerly anticipated event brought together eight dynamic teams comprising more than 70-80 enthusiastic students from the electrical department, showcasing their talent.

The excitement began with the much-anticipated auction, held on the 23rd of March, where team owners strategically bid for players to assemble their dream teams. The auction witnessed spirited bidding wars and strategic manoeuvres as team owners vied to secure the best talent for their respective teams, setting the stage for an intensely competitive tournament.

Over the course of two action-packed days, there were cheers and applause as teams battled it out in thrilling matches characterized by fierce competition and sporting spirit. Each team exhibited exemplary teamwork, skill, and determination.

After a series of exhilarating matches, two teams emerged as finalists: the Power Hitters and the Resistive Renegades. The electrifying final match kept spectators on the edge of their seats as both teams displayed exceptional cricketing prowess and strategic brilliance. In a closely contested showdown, the Resistive Renegades emerged victorious, clinching the title of EPL 3.0 champions in a nail-biting finish.

The success of EPL 3.0 would not have been possible without the dedication and hard work of the organizing committee, volunteers, and participants who contributed to making the event a resounding success. Their passion and commitment to promoting camaraderie and sportsmanship within the electrical department exemplify the spirit of EESA and reflect the vibrant community that it represents.

In conclusion, EPL 3.0 stands as a testament to the spirit of sportsmanship, teamwork, and camaraderie fostered by EESA within the electrical department. The tournament not only provided an avenue for students to showcase their athletic abilities but also promoted a sense of unity and belonging within the community. As EESA reflects on the success of EPL 3.0, it remains committed to organizing inclusive and engaging events that enrich the student experience and strengthen the bonds of friendship and sportsmanship.

Industry Visit

The Department had organized an Industry Visit to Haldiram International Pvt Ltd on 9th February 2024 for the Sixth Semester students. The Industrial visit focused on three main sections of plant i.e. Plant automation section, Solar PV Power Plant and High Voltage auxiliary units. In the first part of visit, students visited the production lines for yellow lentils, whereby the complete food production process from raw lentils to the final product was exhibited. In second half, students visited the 1345 KW of PV plant and 33 kV Substation.

The Parent - Teacher Meeting (PTM) held in the department on March 9th, 2024 for IV and VI semesters was a resounding success, fostering fruitful collaboration between educators and parents. Throughout the session, parents had the opportunity to engage in insightful discussions with Dr. Jayu Kalambe, HOD and faculty members regarding their child's progress, strengths, and areas for improvement.

Guest Lectures organized in Department :

- (a) Guest lecture on “Industry and Research Perspective” by Dr. Prakash Rewatkar lead as RnD Engineer, at Avient Cooperation, Pune was organised for II and III year students on 10/02/2024. Various key points were discussed with the students required to be industry ready. He motivated the students to research and introduced certain key points required to present the work as well.

- (b) On January 25th 2024 , the department hosted a guest lecture by Ms. Sangeeta Palekar, CEO, Biospectronics. She delved into the Pre-requisite of Research and explained to the students about research papers and the database used to search the papers with the process of citations.

- (c) On the occasion of National Youth Day, on 12/01/2024, the Department of Biomedical Engineering had the privilege of hosting a guest lecture by Dr. Nitesh Singh, Sangathan Mantri, Bhartiya Sikshan Mandal organised by Biogenesis Student society with a motive to inculcate the thoughts of Swami Vivekananda in taking life decisions.

It commenced with a captivating introduction, featuring a short story or anecdote. This storytelling approach engaged the audience from the outset, making the lecture more relatable and interesting. The lecture primarily revolved around key topics like the life journey of Vivekananda and how he introduced Indian culture in all over the world with his effective thoughts and motivated the youth to be grounded and attach to the roots.

(d) A technical lecture was organised by Biogenesis students society and IEEE EMBS student chapter titled "Modern Anesthesia" on oct.13,2023. Guest speaker was Dr. Sachin S. Jambhorkar, MBBS, MD (Anaesthesiology), an accomplished Academic Head and Senior Consultant Anaesthesiologist at the National Cancer Institute, Nagpur,

Dr. Jambhorkar's rich background and extensive experience in the field of anaesthesiology provided the audience with valuable insights into the world of modern anesthesia and its significance in medical practice.

Departmental Activities

Parents Meet, Alumni Meet and Departmental Installations or Events :

Parents Meet : The parent teacher meet was held on 4th November 2023 & 17th February from 11:00 am to 12:00 pm. Total 18 parents attended the meet. The meeting started with a presentation by Prof. Rijuta Joshi to make parents aware about the journey of a student in the department. A presentation was given by the T&P Head of the department to make parents aware about the placement initiatives taken by the department. Parents were also told about the details of the students placed till now. Queries related to attendance, internships and college events were resolved. Parents were also informed about several activities like industrial visits, live projects. Test Marks and attendance were shared with parents by class Coordinators and respective subject faculty.

Gyansarovar and Kshitij : The resounding success of Gyansarovar and Kshitij, our flagship academic and non-academic events held on January 18th, 19th, and 20th, stands as a testament to the unwavering dedication of the Student Development Cell and the collaborative spirit fostered within our academic community. In retrospect, Gyansarovar and Kshitij exemplified a perfect blend of fun, excitement, and learning. The dedication of the organizing team, coupled with the enthusiastic participation of students, made these events a resounding success, leaving a lasting impact on our academic community. Led by the diligent coordination of Dr. Kanak Wadhwani, the SDC coordinator, and with invaluable support from

MBA coordinator Dr. Gayathri Band and HOD Dr. Rupesh Pais, the events unfolded seamlessly. The culmination of efforts from faculty members and enthusiastic participation from students and teams propelled these events to new heights.

Conference, STTP and Guest Lectures organized in Department

Labour Laws Certificate Course : Nagpur, 16th & 17th March, 2024- A pioneering two-day certificate course on labor legislation was organized by the Vidarbha Industries Association HRD Forum and the Quality Circle Forum of India, Centre of Human Excellence, RCOEM, with the goal of equipping upcoming HR professionals with essential knowledge. Took place on March 16 and 17, this full-day program was a lighthouse of knowledge for students exploring the complexities of HR specialization. It provided a thorough grasp of labor laws from seasoned professionals in the field.

The program's enormous impact was set in motion by Dr. Avinash Acharya, Senior Manager of MSSED, during its inaugural session. Dr. Acharya expounded on the subtleties of wage and trade union rules, highlighting the importance of key pieces of legislation such as the Trade Union Act of 1926, the Payment of Wages Act of 1936, and the Minimum Wages Act of 1948. After this insightful talk, attendees had the honour of learning from Mr. Sanjay Deo, the renowned CEO of Wise HR Manager, whose presentation covered the complex web of labor regulations and the ensuing Industrial Disputes Act.
