- Completing a tongue twister perfectly within a minute.

Participant Feedback:

The activity was a huge success, with students actively engaging and enjoying the light-hearted yet competitive environment. Minute Mania brought out the participants' spontaneity and creativity, fostering a spirit of camaraderie.

Conclusion

Day 1 of **XPRESSION '25** was a perfect blend of learning and fun. It ended with **Minute Mania**, which added a dose of excitement, joy and happiness to the proceedings.

The ALTRONIX Committee's thoughtful planning and execution ensured that event was both enriching and entertaining, setting the stage for a memorable event series.

PROMPTCRAFT (AI-Based Challenge)

Date: January 17, 2025

Event: PROMPTCRAFT (AI-Based Challenge)

Organizer: ALTRONIX Committee

Venue: DT 301, Digital Tower, Shri Ramdeobaba College of Engineering and Management, Nagpur

Prompt-craft is an **exciting AI-based technical event** designed to challenge and engage students in the practical application of artificial intelligence.

Event Overview:

- **Objective:** Students were required to use any **AI platform** of their choice to generate **creative stories and images**.
- **Challenge:** The tasks needed to be completed using the **minimum number of prompts** while meeting the judging criteria of **accuracy, uniqueness, and creativity**.
- **Judging Criteria:**
 - **Uniqueness:** Originality of the output compared to other submissions.
 - **Creativity:** Innovative use of prompts to generate high-quality stories and visuals.

Participant Response:

Students enthusiastically participated in the event, showcasing their skills in working with cutting-edge AI tools. The competitive spirit and creativity were evident as participants explored the potential of AI to generate unique and meaningful outputs.

Winners: Neural Nomads and Tech Nomads.

Prizes: To reward their efforts, the **winners** of the event received exciting prizes, including a **high-quality keyboard and mouse**, encouraging students to continue their journey in AI and innovation.

Conclusion:

The **AI-based technical event** provided students with an opportunity to apply their knowledge in creative ways. The ALTRONIX Committee successfully curated a diverse and enriching experience, fostering innovation, teamwork, and community spirit among the students.

Xpression Cultural Eve

Date: January 18, 2025

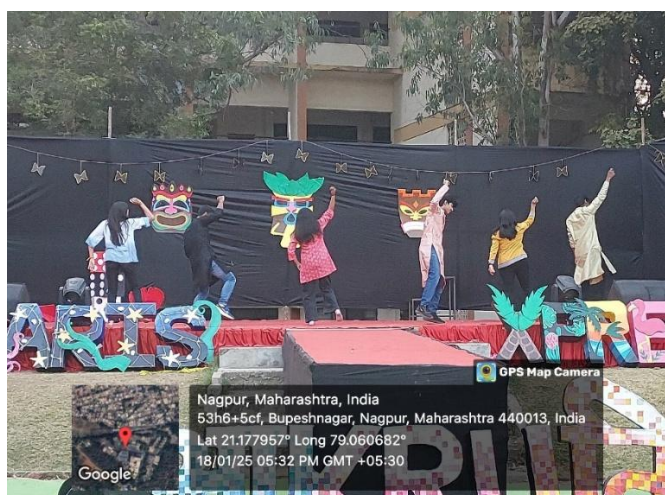

Event: Cultural Eve

Organizer: ALTRONIX Committee

Venue: Football Ground, Digital Tower, Shri Ramdeobaba College of Engineering and Management, Nagpur

Introduction

Day 3 of XPRESSION '25, the much-awaited Cultural Eve, brought an electrifying atmosphere to the event. Held from 2-8 pm, the day was a spectacular celebration of talent and creativity. The event featured mesmerizing dance performances, soul-stirring music, and a variety of other performances that showcased the vibrant cultural spirit of the participants. This dynamic evening was made possible through the collaboration of the Polaris (Computer Science Branch Committee) and DASCA (Data Science Branch Committee), adding a unique touch to the festivities. The Cultural Eve truly highlighted the incredible artistic and performing skills of the XPRESSION community.

Event Summary

Day 3 of XPRESSION '25 was packed with lively performances showcasing the cultural vibrancy of the event. The schedule featured 26 performances across various departments, including Computer Science (CSE), Artificial Intelligence & Machine Learning (AIML), and Data Science (DS). The highlights included:

- Multiple energetic dance performances by individuals and groups, representing their respective departments.
- Special segments like ramp walks and a soulful music-and-instrument performance.
- Performances by recognized groups like ALTRONIX and Team Polaris.
- A concluding prize distribution ceremony, followed by a DJ session.

- The day ended with separate dinners for boys and girls from CSE, AIML, and DS branches, fostering community bonding.

The event's timeline was meticulously planned, ensuring seamless transitions and ample entertainment for all attendees.

E-SPORTS
