Organized by: Economics Club

Date & Time: 10/10/2025

Venue: MBA classrooms

Participants- MBA Ist Year

Name of Faculty Incharge: Prof Amit Kumar

Resource Person / Chief Guest: Dr. Sharad Bhawe

The School of Management, Ramdeobaba University, hosted SANSKODHAN 2025 — a three-day sectoral analysis competition jointly organized by the Economics Club and Finance Club from October 6 to 8, 2025. The event aimed to enhance students' analytical, research, and presentation skills through in-depth exploration of various industries.

The event was graced by Mr. Sharad Bhawe, an industry and academic expert, who served as guest and evaluator for all three days. He engaged with participants through thought-provoking questions, shared insights on leadership, sustainability, and innovation, and encouraged students to bridge academic learning with real-world business understanding.

Sectoral analysis, as highlighted during the event, helps students gain a deeper understanding of how industries operate, identify growth drivers, assess risks, and interpret economic and policy trends — skills essential for future business leaders and consultants.

Program Objective:

1. To enhance students' analytical and research skills through sectoral studies.
2. To improve presentation and communication abilities.
3. To connect academic learning with real-world business insights.
4. To promote critical thinking, teamwork, and experiential learning.

Poster of the Event:

Event Overview-

A total of 160 students, divided into 32 teams, presented comprehensive analyses on sectors such as Power, IT, Banking, Defence, Agriculture, Media, Aviation, Real Estate, FMCG, and Fintech. Each team applied strategic frameworks including PESTEL, SWOT, and Porter's Five Forces to evaluate sectoral trends, challenges, and future prospects. The sequence of presentations of each team was decided by picking chits.
