the legal landscape they interact with every day. A central learning objective of the event was to simplify complex legal concepts so attendees could confidently recognize their rights, responsibilities, and the legal remedies available to them, particularly in matters involving workplace rights, digital safety, and property transactions. Another objective was to encourage responsible citizenship by fostering awareness about ethical conduct, compliance requirements, and the importance of staying informed in an evolving legal environment. Through powerful sessions led by experts including **Mr. Avinash Kanphade, Mr. Deoul Pathak, Ms. Ananya Dutta, and Mr. Akash Prasad**.
