1. Executive Summary

This report provides a comprehensive overview of the "**Rewiring Resume – Crafting the Narrative of Your Achievements**" session, an essential professional development seminar held for all **MCA and BCA Semester III students** by the Department of Computer Science and Applications at RBU Nagpur. The session's primary objective was to guide students in moving beyond a simple list of past experiences to crafting a compelling **professional narrative** that highlights their skills, achievements, and career potential. The seminar was led by **Mr. Satyam Singh Rajput**, an accomplished HR Professional from the industry. The session was a resounding success, fulfilling its mandate of preparing students for forthcoming internships and placement drives.

2. Introduction and Context

The modern job market demands resumes that clearly articulate a candidate's value proposition. Recognizing this need, the Department of Computer Applications, RBU Nagpur, hosted this insightful session on resume mastery. The seminar was designated as **mandatory attendance** for all third-semester students of the MCA and BCA programs, underscoring its importance for career preparation.

The session commenced with a warm welcome extended by the Department to the assembled students, setting an exciting and professional tone. The introductory remarks emphasized the seminar's special design to help students understand how to structure their professional documents to "**set them apart**" for internships, placements, and future career opportunities.

3. Introduction of the Distinguished Speaker

It was a privilege to host Mr. Satyam Singh Rajput, a highly accomplished individual in the field of Human Resources. Mr. Rajput was introduced to the audience with great pleasure, highlighting his extensive and diverse professional background:

- **Core Profession:** An experienced HR Professional with over 8 years in the specialized areas of talent acquisition and employer branding.
- **Corporate Experience:** He has contributed to building diverse engineering teams and driving innovative hiring strategies at globally recognized, leading organizations, including Apple, Samsung, Amazon, Meesho, BYJU's, and Shell.
- **Current Role:** He currently serves as a Talent Advisor at Shell.
- **Beyond HR:** Beyond his corporate journey, Mr. Rajput is also an esteemed Author and Artist, demonstrating a unique blend of corporate acumen and creative expression.

The Department expressed its delight in having such a distinguished industry expert to guide the students on how to craft truly impactful resumes.

4. Session Highlights: Crafting the Compelling Narrative

The core of the seminar, titled 'Rewiring Resume – Crafting the Narrative of Your Achievements,' focused on shifting the student's perspective from documenting job roles to storytelling through quantifiable results.

Mr. Rajput's guidance was instrumental in teaching the students how to:

1. **Rethink and Rewire Resumes:** Move beyond basic templates to documents that tell a compelling story of "who we are and what we aspire to become."
2. **Focus on Achievements over Tasks:** The key was to quantify achievements and contributions using metrics and results, creating a narrative that speaks directly to a potential employer's needs.
3. **Strategic Presentation:** Learn techniques to optimize the resume's structure and content for better visibility and impact, ensuring it truly reflects their skills, achievements, and potential.

5. Conclusion and Call to Action

The session concluded on a high note, with the audience giving a big round of applause to Mr. Satyam Singh Rajput. The students were strongly urged not to miss this chance to learn directly from an industry expert and elevate their resume game.

The event successfully met its dual objectives: delivering valuable, industry-specific knowledge and reinforcing the departmental commitment to the professional development of its students. As the session was mandatory for all MCA/BCA Semester III students, the high attendance ensured maximum student benefit. Students were instructed to be seated by 10:55 AM to ensure a smooth and prompt start, fostering a culture of punctuality and professionalism.
