CONGRATULATIONS!!

With great pleasure, I am happy to inform the faculty members, staff, students and all stake holders of Ramdeobaba University that Ramdeobaba University, Nagpur has been adjudged in the higher band of 151-200(engineering) by the National Institutional Ranking Framework (NIRF), Ministry of Education, Government of India, ranking 2025.

This is because of the concerted efforts of the management, staff and students and all other stake holders. Though the ranking is an improvement on the earlier one, we still have a longway to go before the University is recognized as one of the best.

I am sure, with our continued efforts the next year ranking will even be better. Let's work for the same.
